Morning and Evening Meditations from the Word of God Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God

Revelation and the Word of God Paul Avis, 2024-05-02 A unique work of Fundamental Theology Revelation and the Word of God explores key issues of divine revelation as open questions They include Why is revelation so elusive Existential and philosophical problems of revelation in the context of apologetics The self revelation of God in mystery What does it mean to say as the Bible does that God speaks and acts How does revelation relate to the Bible history religious experience and the church The relational and personalist dimensions of revelation What the biblical Wisdom tradition contributes to our understanding of revelation The threefold form of the Word of God Jesus Christ the incarnate Word Logos and Wisdom Sophia of God the Scriptures that witness to him and the church s proclamation kerygma in preaching sacraments and other ways The role of hermeneutics cultural constraints and imagination in the reception of

revelation Critique including Feminist Theology of claimed revelation Is there revelation today How do developments in doctrine and practice relate to divine revelation The liturgy as a vehicle of the Word of God The Word in pastoral practice Jesus Christ as the crown and criterion of divine revelation according to the Fourth Gospel A Word of Wisdom Mark E. Petersen, 1964 **The Ministry of the Word, Vol. 22, No. 06** Various Authors, 2018-06-01 This issue of The Ministry of the Word contains the eight messages given during the international training for elders and responsible ones held in Anaheim California April 13 15 2018 The general subject of this series of messages is Taking Christ as Our Person and Living Him in and for the Church Life God's intention in His economy is to work Himself into us not only as our life but also as our person A wonderful person Christ as the life giving Spirit came into our spirit regenerated our spirit and mingled Himself with our spirit causing our spirit to become our inner man with Christ as the person indwelling our spirit When we are strengthened with power into our inner man the Christ in our spirit is able to spread into our heart Our heart is the acting agent that represents us As regenerated persons our inner man is now our real person Our inner man is now Christ as our person If we live by the outer man the old man it is impossible to have the church life In order for Christ to be our person He needs to make His home in our heart that is He needs to be able to actually live in our heart Then we will live Him by walking according to the spirit When we allow Christ to actually live in our heart He becomes our person in practice The most important quality with regard to a leading one is his person not his capacity ability or gift in carrying out a work serving or taking the lead A leading one must have an enlarged heart Pride an expression of foolishness comes from having a narrow heart A leading one should have an enlarged and loving heart and he should have a powerful and exercised spirit that is he should be dominated governed directed led and controlled by his spirit When a leading one has been fully reconciled to God and has been enlarged in heart he can represent God rightly in His economy Every day we need to live Christ in and for the church life by walking according to the spirit If we would live Christ we must take Him as our person and live one person with Him The Lord Jesus was the Pioneer the model example and pattern of how all believers should live today The first God man lived out another person the Father In Jesus we see not only the man but also God living in through and as that man Living Christ and walking according to the spirit are actually one matter Living Christ requires that we love Him to the uttermost If we do not love the Lord we cannot live Him The practical way to live Christ is to walk according to the spirit Ultimately the Bible requires only one thing of us that we walk according to the mingled spirit To walk in the spirit is to do everything in our daily life according to the spirit The central thought of the Bible is that God desires us to live Christ for the building up of the Body of Christ The Lord's shepherding in His heavenly ministry is to take care of the church which is His Body Christ has incorporated the apostolic ministry into His heavenly ministry in order to shepherd God's flock the church which issues in the Body of Christ The elders must preach the gospel by the way of shepherding and they must bring in a revival by the way of shepherding They must shepherd the saints in everything and in every way for the dispensing of Christ

into them We all need to shepherd people according to the pattern of the Lord Jesus cherish the saints in the humanity of Jesus and nourish them in the divinity of Christ If we all participate in Christ s shepherding there will be a revival in the Lord s recovery The Reports and Announcements section contains an announcement for a Church Book Service Workshop and an update on the construction of the Woodland Camp training facility in the northeast part of London England Also included at the end of this issue is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
