Spirits Alive:

A Married Spirit Kelly McCann, 2023 s a Christian are you living for God through works or from God through connection and close relationships Are you living as the church or the bride The church lives for God The bride lives from God The church ministers to the people The bride ministers to the Lord The church loves conditionally The bride just loves The church sings and plays instruments The bride worships The church is successfully busy The bride is fulfilled The church does church The bride does Kingdom As you read this book it will give you Biblical and practical keys to move you from merely being the church to being the bride that the Lord is coming back for It is time for the end time church to prepare herself as the bride for our soon coming King and Bridegroom Jesus

Day by Day Devotions 2 Karyn Henley, 2005-07-05 Presents daily devotional readings and prayers arranged by 52 weekly themes covering such topics as who wins fighting temptation and getting along with others

Revelation of Jesus Christ Grace Chung, 2025-08-25 I was raised by my mother and my grandmother who were very devout Christians and who had believed in Jesus for four generations We all attended a Presbyterian church in South Korea and especially my grandmother handed down her faith in Jesus to me through teaching me the bible and singing hymns for me The reason I translated this book was this The elder pastor from one of my former churches that I had attended asked me to interpret his sermons that he meditated on the words of Revelation When I refused to interpret his sermons Jesus appeared to me once in a cloud and confirmed me to translate his sermons from Korean to English So I obeyed the will of Jesus and interpreted his sermons from Korean to English While I was translating this book I saw Jesus shining His light upon me from Heaven Sometimes I could see even an angel pouring a jar of living water on me when I was translating this book from Korean to English While I was translating this book at 2 in the morning I even saw a mighty angel coming down from heaven whose face was so shining like the sun and whose voice was like the seven thunders This is the reason why I started interpreting this book This book is the words of God explaining about the book of Revelation and the end time It gives us the God s explanation about the plagues of seven bowls the perdition of the world the white throne judgment and heaven at the end This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world While I was translating this book Jesus showed me a pure river of life flowing from the top of the mountain to the sea Jesus showed me that this message of the words of Revelation must be the pure water of water flowing from the throne of God in heaven which will restore the spirits of people to life I wish you will all read these three books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end after all If you are pastors you can also preach these messages to your congregation since Jesus said not to close this book but to read and keep the things written in the book of Revelation I pray

that whoever reads and keeps the things written in these books of the words of Revelation meet Jesus and be blessed according to the words written in the book of Revelation while they live in this world and enter into heaven after all I wish we will all meet in heaven someday May God bless you all *Te Rou, Or, The Māori at Home* John White,1874 A series of set pieces based on the life of a M ori tribe in the Hokianga region Much on love war and cannibaliam presented by named characters within a pattern of Victorian expression and convention which the numerous footnotes and elaborate textual explainaions of custom humanise only in part Intended to be the first of a series Revenge W1065 was the only posthumous sequel Bagnall *Free by Divine Decree* Paul Johansson,2022-09-27 The Apostle Paul writes the Book of Romans as a legal document to justify the believer s freedom Free by Divine Decree takes you inside the court room to witness how the case for your freedom was argued and decided The final verdict from the Supreme Judge is that in Christ you are righteous not by achieving but by believing The truth in this book will set you free free indeed No further appeal Your freedom is not a feeling it is a fact The Verdict Is In Condemnation is OUT [American Church Review](#) ,1882 **What Happened on the Cross** Nick Peros,2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him

Systematic Theology Wayne A. Grudem,2009-05-18 The Christian church has a long tradition of systematic theology that is of studying biblical teaching on centrally important doctrines such as the Word of God redemption and Jesus Christ Wayne Grudem s bestselling Systematic Theology has several distinctive features A strong emphasis on the scriptural basis for each doctrine Clear writing with technical terms kept to a minimum A contemporary approach treating subjects of special interest to the church today A friendly tone appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross reference subjects to a wide range of other systematic theologies *A catechism on the Lord's Prayer, for the use of parents, teachers, and guardians, in the religious instruction of children. With an address ... introductory to the work* John Philander PERRY,1868
