Starlight Passage:

Starlight Passage Anita Richmond Bunkley,1996 Deep in the hollows of the Smokey Mountains Kiana and Rex discover their own roots and the longings of their own hearts Yet suddenly they find their lives are in danger **Brotherhood of Kurnak** Herman Lloyd Bruebaker,2015-04-29 Twenty thousand years ago distant star travelers came to Earth to colonize and teach Eight thousand years later they departed for their own stars While here they built a highly technical time passage But when they departed the passage was on electronic control Somewhere down through the centuries the time passage malfunctioned Now its jerking residents from their timeframe and hurling them into another time But nobody believes whats unraveling so United States Navy Captain Harry Warren is ordered to find and suppress the ancient device His team must work through governmental interferences and public disbelievers while the passage threatens to implode **Statistical Astronomy** Robert Julius Trumpler,Harold F. Weaver, Starlight's Requiem Krysta Lane,2024-11-20 The realm of Aethel woven from starlight and celestial rivers is dying A cosmic parasite the Blight devours the light of the constellations leaving only chilling emptiness in its wake The starborn conduits of celestial energy are faltering in their age old struggle against the encroaching darkness Hope itself flickers like a dying ember Isara Thorne a young woman blessed or cursed with extraordinary celestial power burns brighter than any starborn in generations Hunted relentlessly by monstrous incarnations of the Blight she is haunted by the dying cries of the celestial spirits Yet amidst the despair a celestial melody whispers in her dreams promising a way to fight back Altair Vance hardened by loss and bound by duty protects Isara with grim determination He sees her radiant hope as dangerous naivet her untamed power a liability in their desperate fight for survival Haunted by the memory of his sister consumed by the Blight he has built walls around his heart shielding himself from any flicker of hope even the radiant light of the girl he is sworn to protect Bound by circumstance their paths collide under a sky streaked with the ghosts of dying stars Their journey for survival becomes a perilous quest across Aethel towards the Whispering Archive a celestial library rumored to hold the secrets of the cosmos From the crystalline forests of Xylos where trees sing with fading light to the treacherous Obsidian Sea where shadows coalesce into monstrous forms they face trials that will test not only their strength but the very foundations of their beliefs But the Whispering Archive holds a devastating truth the Blight is not an external enemy but a reflection of the starborn s own fear and despair The celestial melody Isara hears is not a song of hope but a dirge of sacrifice Their burgeoning love once a source of strength becomes an agonizing choice Will they succumb to the ancient ritual sacrificing themselves to save Aethel Or will they forge a new path a rebellion against destiny itself rewriting the symphony of the stars with a song of defiance and unwavering hope
