Working Fire:

Working Fire Zac Unger, 2005-02-22 Zac Unger didn't feel like much of a fireman at first. Most of his fellow recruits seemed to have planned for the job all their lives; he was an Ivy League grad responding to an ad at a bus stop. He couldn't keep his boots shined and he looked terrible in his uniform. **Working Fire** is the story of how from this unlikely beginning Zac Unger came to feel at home among this close-knit tribe, came to master his work's demands and came to know what it is to see the world through a firefighter's eyes. From the raw material of his days' work—alarm calls, both harrowing and hilarious moments of triumph and grief—Unger has forged a timeless story of finding one's path and a rousing adventure about the bravery and sacrifice of everyday heroes.
