**The Vance Havner Notebook** Vance Havner,1989-01-01 Vance Havner, Journey from Jugtown Douglas M. White,1977 **The Power of Truth in Perilous Times** Marcus E. Drake,2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything *Encouragement from the Psalms* Dr. B,2023-03-03 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on Psalms forty two to seventy two the Exodus Book of the Psalms which encompasses restoration and redemption from bondage They are songs that teach salvation the doctrines of the faith and how to take care of your soul The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord **Stand Up and Fight Back** Ken Abraham,2013-02-05 The weapons you need in the fight against Satan Most of us don t like to fight with the devil That s smart Only a fool would seek a confrontation with a supernatural demonic being Unfortunately that evil intruder has come looking for you He does not fight fairly and he does not wait for an invitation Stand Up and Fight Back prepares you for every battle Presented in a dynamic accessible style it is the perfect tool for recognizing and fighting the demonic attacks generational curses and strongholds that come against you so you can Recognize Satan s fingerprints on your life Identify how the devil tries to undermine your relationship with God Protect yourself your friends and your family from attack Overcome Satan with the power of the Holy Spirit You don t have to take Satan s guff anymore It is in your power to stand up
