19 pandemic not only in terms of work and business life but also linking other areas of personal life as well. It explores the diverse impacts of the pandemic on businesses and workplaces addressing topics such as changes in organizational structures, operations and marketing and consumer behavior. Sharing their rich insights and perspectives on today's business world, the authors also look at how personal psychological well-being, the role of spirituality, employee satisfaction, an organization's future competitiveness and quality of life have been affected and changed by the COVID-19 pandemic. Chapters discuss the challenges and complications of flexible and hybrid working styles and digital collaboration platforms such as Microsoft Teams. Other topics include changed consumer choices and shopping psychology, internet addiction, mental health challenges, new psychological aspects of the art and culture industry and more. The authors also share effective strategies for creating work-life balance and improving psychological well-being and for navigating the new normal.

Reshaping the Business World Post COVID-19: Management Strategies for Sustainable Behavior Change will be valuable for both industry and academia as it covers concepts of business from various perspectives. The book is sure to help managers of all types navigate the new normal.

Designing a Network Infrastructure to Support a Research and Educational Network Using GTUC and University of Ghana Kingsley Awuku, B. Cobblah, C. Pinkrah-Sam, G. Anim, F. Okai, 2012-02. Master's Thesis from the year 2011 in the subject Computer Science Commercial Information Technology Aalborg University Aalborg University course Network Technologies language English abstract. This project is aimed at designing an appropriate network infrastructure in Ghana to support research and educational network using Ghana Telecom University College GTUC and University of Ghana UG. An overview of what RENs are generally about and a study of existing RENs in developed countries were considered to gain insight into REN infrastructure, their organizations and operations. Further technologies employed in RENs were also looked at with emphasis on technologies employed in the Core and Access Networks of REN. Technologies such as SONET, SDH, MPLS, ATM and its application were also delved into in this project. Intended users and stakeholders were identified and their requirements analyzed to determine the best technology needed to support their needs of an appropriate REN. Finally, the design of an appropriate and scalable for GTUC and UG is proposed in this report with careful consideration of the cost, model, ownership options and organizational structure appropriate for the development of a sustainable REN in Ghana.

Performing with Microsoft PowerPoint 2002 Iris Blanc, Cathy Vento, Jaime Blanc, 2002-02-27. The Performing Series by renowned authors Iris Blanc and Cathy Vento takes users to a higher level of learning through applied and project-based activities that go beyond the mechanics of the software. Most books begin by teaching software skills. The Performing Series presents various business documents first then shows learners the PowerPoint 2002 skills needed to create them.
