Greek Groom: The Tycoon's Mistress / Smokescreen Marriage / His Forbidden Bride Sara Craven,2016-09-01 The Tycoon's Mistress A motive for marriage Cressy was astonished when Draco Viannis proposed From the moment she'd met the gorgeous Greek Cressy couldn't get him out of her mind The passion between them was mind blowing but had it just been a holiday affair The Legal Recognition of Same-Sex Marriage in Sub-Saharan Africa Zanele Nyoni-Wood,2026-02-06

This book considers the prospects for the legal recognition of same sex marriage in Sub-Saharan Africa Legal recognition of same sex relationships continues to spread across the globe with several countries extending the definition of marriage to include same sex couples Meanwhile in sub-Saharan Africa most countries criminalise consensual same sex acts Despite a rapidly changing landscape with respect to LGBT rights South Africa is the first and only African country to have legalised same sex marriage while a few others have decriminalised consensual same sex acts Deeply embedded religious societal and cultural norms along with political controversies impact the recognition of same sex relationships such that one of the recurring arguments against increasing legal protections for LGBT people is that this represents Western liberal values and is a radical departure from African culture and African norms In this context this book provides a comparative analysis of the legal position of same sex relationships in South Africa as well as in Botswana Kenya and Nigeria Thematically it explores the role of colonialism and how the introduction of Christianity and sodomy laws has shaped African sexuality and marriage as well as the role played by religious and political leaders in shaping both the law and public opinion of same sex relationships Based on this analysis and drawing on Kees Waaldijk's three stage theory of the road to marriage equality the book then offers an alternative framework for achieving wider recognition of same sex marriage in sub-Saharan Africa This book will be of interest to scholars with relevant interests in socio-legal and gender studies as well as individuals or organisations engaged in LGBT rights advocacy in Africa *Smoke Screen* Sandra Brown,2008-08-12 The themes of role reversal and the abuse of power figure prominently in a tale in which corruption and betrayals turn friends against one another and force criminals to become heroes
