Something Good Vanessa Miller, 2022-03-08 When three women find their lives inextricably linked after a terrible mistake they must work together to make the most of their futures Alexis Marshall never meant to cause the accident that left Jon Jon Robinson paralyzed but though guilt plagues her her husband hopes to put the past behind them After all he s in the middle of selling a tech business and if Alexis admits to texting while driving the deal could collapse and cost them millions Meanwhile Alexis s life is not as shiny and perfect as it may seem from the outside She has secrets of her own As she becomes consumed with thoughts of the young man she hit can she reconcile her mistake with her husband s expectations Trish Robinson is just trying to hold it together after the accident that left Jon Jon dependent and depressed As the bills pile up Trish and her husband Dwayne find themselves at odds Trish wants to forgive and move on but Dwayne is filled with rage toward the entitled woman who altered their lives forever Trish can t see how anything good can come from so much hate and strife so she determines to pray until God intervenes Then one afternoon Marquita Lewis rings their doorbell with a baby in her arms and changes everything Vanessa Miller s latest inspirational novel reminds readers that differences may separate us but if we cling to each other God can bring something good out of our very worst moments Praise for **Something Good** This real to life story doesn t shy away from some hard issues of the modern world but Miller is a master storyteller who brings healing and redemption to her characters and thus the reader through the power of love and faith I thoroughly enjoyed this book Rachel Hauck New York Times bestselling author Inspiring contemporary fiction Stand alone novel Includes discussion questions for book clubs

Something Good Ashley Ostler, 2024-09-30 Life is messy Life is hard Life can still be beautiful While writing **Something Good** I was able to reflect on the days when I spent a lot of time praying to have God remove me from my trials Now I am grateful for those challenges that have helped me better come to know God I would love to share my experiences with you **Something Good** is a collection of stories that address some of the hardships that I have faced and how I began to heal after I allowed myself to feel once again I wrote this book as an alternative to using substances to fix what felt broken inside of me I struggle with addiction mental illness type 1 diabetes and grief among myriad other challenges that you and I might have in common The details of my experiences might look differently than yours and that is okay because the fact that we are all suffering to some degree sets us on common ground I believe that hardships are the ties that bind humanity and point our focus back toward God I hope that you can find something good to encourage you while reading this book because you my friend are not alone in your trials Much love AO
