**Some Rain Must Fall** Jan Queley, 2003-02-26 Devastated by a diagnosis of the early stages of multiple sclerosis Ann leaves her career in Chicago to visit her elderly Aunt Em in Morton Washington Soon Ann finds herself in the role Cupid for her Aunt and discovers new ways to use her talents in the small community She uncovers unexpected timber harvest on Em's land and takes steps to stop the apparent theft Ann thought she had left any chance for love behind in the city but finds romance hidden in the hills of Washington State As her views on life and herself undergo complete change in just a few short months she discovers that love chooses when and where it will appear Ann came west to try and lose herself but instead she found her heart

*Some Rain Must Fall* Michel Faber, 2001-08-20 Michel Faber's short stories are markedly diverse the voice of each is so distinct that the book reads like an anthology of different writers But Faber's radically inventive style fastens all fifteen stories into a compelling collection deserving of the high praise it garnered in the United Kingdom One surreal story Fish projects a futuristic world populated with fish swimming in the air As sharks hover in abandoned corners and human zealots of the Church of the Armageddon loose their fanaticism on the innocent it's a mother's full time job to protect her young daughter The title story Some Rain Must Fall tells of a substitute schoolteacher called on in a crisis and as she encourages her pupils to express their feelings we learn the source of the class's trouble a devastating act that resonates with contemporary America As Garth Morris wrote in the Mail on Sunday London these are well crafted pieces of quiet forlorn intensity in a very real world

*Some Rain Must Fall* Gabriel Ellison, 2007 *Treasure* Cynthia Barnett, 2016-08-23 I wrote this book to inspire others like myself I have been appointed to deliver such a book by doing the works of the master telling everything of himself I haven't written a book or novel nor children books From the Psalm poems I wrote novel of poetry of everyday life The poems are telling a story within itself Some people don't recognize a God given talent until a wakeup call comes I was one of those people I wrote many poems as a youngster and in my teens I cast them away in my closet shelf or trash them My baby sister Alisa always told me I had a God given gift my baby sister Alisa reminded me of a little bitty person with a old soul young but had insight like she been here before She had been getting my poems off the shelves and making her boyfriend cards with them He was thinking she was writing them she told me again you got to keep writing them because he liked them I was shocked but nevertheless I said ok to my baby sister calling herself in love And my milestone started that day Who would want to listen to what I had to say The answer came later on who would listen other than my baby sister The same people that went down the same path and has experienced spiritual struggles racism and was a victim of rape gang bangers prisoners addicts childhood dream of becoming or a sense of want to belong This book is inspired for all generations as well as the young past present and future A reflection of fathers leaving homes leaving mothers taking care of homes as single parents not to mention separated that lead to divorce In each of our lives we all are searching for our own path Through our experience we live and learn either we make mistakes ourselves or wise up or simply

learn from the mistakes and trials of others as well as self I've always felt that in the company of others I find my heart to be captivated through another's experience Be it joy pain Hope or hardship In my travels near or far in my hope of Mississippi or eve strange lands this defined me through and through This when the journey began We are one people one love one people with rainbow color of God The color purple couldn't have said it any better coming from Whoppi Goldberg She said I might be ugly I might even be black I might even been misunderstood but thank God am STILL HERE We're just ordinary people why one kill because of the color of our skin I never understand that There is a time and purpose of our being Know that there is a GOD who hears and sees all GOD bless hope you enjoy **The Humbler Poets** Slason Thompson,1886
