## **The Zebra:**

**The Zebra's Stripes and other African Animal Tales** Dianne Stewart, 2004-11-01 Folktales can be described as fictional prose narratives that are not confined to any particular culture. A folktale may appear in a slightly different form in a culture that is geographically nearby or it may appear in a culture that is quite far removed from its original source. In *The Zebra's Stripes and other African Tales* Dianne Stewart has retold a collection of folk tales that have their origins all over Africa. Aimed at children and adults, these tales include legends such as How Lion and Warthog became Enemies from the Lamba people of Togo, How Giraffe Acquired his Long Neck from East Africa, Why Hippopotamus Lives in the Water from Nigeria, and Monkey the Musician from South Africa. There are tales from the San, Zulu, Zambia, Congo, and West Africa, et al. Each section is devoted to a type of animal and concludes with some facts about the animal in question, adding educational value to the stories. Proverbs from various cultures provide additional insight. Throughout Kathy Pienaar's beautiful illustrations show great attention to detail.

*The Zebra's Great Migration* Mohammed Ayya, 2024-06-01 Bedtime Stories For Kids Short Bedtime Stories Series. Do you want to make your child fall asleep faster at night? Do you want your child to learn mindfulness while reading beautiful short stories? In this book you will find a collection of stories written to help children enter a place of dreams and eventually drift off to sleep. These stories are intended to stir their imaginations in such a way that the transition from fantasy and adventure into dreamland will be a seamless one. Best of all, your children will be able to get a good night's sleep and wake up feeling refreshed and happy. The chapters are designed to take you and your family on an exciting adventure through different situations laden with imagination and surprises while also attempting to disseminate valuable lessons about important principles such as family, home, wrongdoing, and numerous other themes. While each story is unique, the underlying purpose of each remains the same: to confer on readers some degree of insight into moral behaviour and proper conduct. Through the careful application of allegory, the stories contained herein are intended not only to engage and captivate but also to serve as thought-provoking tools by which your children might avail themselves of one of mankind's most powerful attributes: thoughtfulness and self-reflection. In addition, each story uses colourful and imaginative characters, settings, and situations to create an environment that will not only help children become interested in the story itself but also serve as a vehicle to convey a moral lesson. Plus, the stories in this book seek to create traditions and memories that will create everlasting moments that your children will treasure for the rest of their lives. These are the kind of moments that your children will surely love to share with their children someday too. So let's jump right in and take a trip into a magical world from which your children will drift off in their sleep. Don't be surprised if they don't want to wake up after having such beautiful dreams. Dreamland is a cherished place for children of all ages. After all, it is a place where kids can truly let their imaginations flourish. This book includes bedtime stories that will truly captivate the young mind of your child. Fun stories about animals, adventures, and legends. A valuable lesson for each story. In addition, they will put down their phones. This is a

good way to encourage your child to go to sleep by listening to the scripts Each story will enhance your child s imagination and thinking And Much More Are you excited Do you want to read more Would you like your child to learn and relax falling asleep in peace Get our book now *The Zebra's Great Escape* Katherine Rundell,2024-08-20 In the vein of Islandborn and If Dominican Were a Color comes a picture book by bestselling author Katherine Rundell about a zebra trying to get back home to his family and the little girl who helps him Mink doesn t believe in rules She loves letting her hair down and getting the most out of life So when a loose zebra appears in the square where she lives and she finds out that his parents have been captured by the evil Mr Spit she ll do what it takes to make sure the zebra family can run as wild and free as she does In this tale of bravery friendship and the importance of taking action Mink uses all her courage and determination to rescue a whole menagerie of animals *The Zebra Storyteller* Spencer Holst,1993 Fiction Holst has long been treasured in the underground New York literary scene His impish delivery is filled with a childlike delight in tale spinning and yet his work is recognized for its inscrutable mysteries Containing every story Holst has ever written nearly a third of them never before published this collection should establish Holst s reputation among a wider public If there is a single aesthetic preoccupation in these tales it is with storytelling itself In the title piece a Siamese cat speaks Zebraic bewitching zebras so that he is able to kill them until he meets the zebra storyteller who has already imagined a Siamese cat speaking Zebraic This allows him to kill the cat and that is the function of the storyteller Holst concludes Such postmodern concerns however do not become boorish Above all Holst seeks to entertain not lecture imagination and language receive no especial privilege here but humor always does In *The Language of Cats* at the end of one rather long and unsuccessful attempt to describe a confused state of mind the narrator resorts to imagine how the world would appear to a person after finishing such a ridiculously lengthy pointless sentence Such authorial winks give a hint of what it is like to be in the presence of this master of the told tale
