Read it, use it, and win with it personally and professionally.

[Merce Cunningham](#) David Vaughan, 2013-10-11 Merce Cunningham reached the age of 75 in 1994, an age at which many creative artists are content to rest on their laurels or at least to leave behind whatever controversies they may have caused during their careers. No so Cunningham. In the first place, his 70s have been a time of intense creativity in which he has choreographed as many as four new works a year. Cunningham is as strongly committed as ever to the discovery of new ways of moving and of making movement, refusing to be hampered by the physical limitations that have come with age. Since 1991, every new work has been made at least in part with the use of the computer program *Life Forms*, which enables him to devise choreographic phrases that he himself would be unable to perform and which challenge and develop the virtuosity of the young dancers in his company. The essays collected in this special issue of *Choreography and Dance* were written over the last few years and discuss various aspects of the work of Cunningham as seen both from the outside and the inside.

*Guide to Enjoying Salinger's The Catcher in the Rye, Franny and Zooey and Raise High the Roof Beam, Carpenters* John P. Anderson, 2017-10-01 This non-academic author presents a study of Salinger's major writings, a study designed to enhance the reader's enjoyment even in a reread. The study is an analysis of their artistic structure, especially Salinger's sophisticated use of the narrator's voice or voices. *Catcher* comes off as the Hindu Connection, *Franny and Zooey* as *Take Out Zen*, and *Raise High* as *Kabbalah Reception*. The Hindu connection structures what happens to Holden in *Catcher* and *Fast as Take Out Zen* structures what happens to Franny in *Franny and Zooey*. Principal tenants of Kabbalah influence and structure important aspects of the story *Raise High the Roofbeam Carpenters*, particularly the lack of civil reception of others at the wedding reception. These choices were, no doubt, influenced by Salinger's experiments with different forms of spirituality. Salinger apparently came to the conclusion that your spiritual soul lies in your individual identity, a conclusion Joyce and others had reached earlier from connection with Eastern Spirituality.
