Then Comes Marriage Bonnie Pega,1993 Then Comes Marriage Emily Goodwin,2016-06-30 Then Comes Marriage Mark Ogletree,Douglas E. Brinley,2005 American Queer, Now and Then David Shneer,Caryn Aviv,2015-12-03

queer adj 1 differing from what is usual or ordinary odd singular strange 2 slightly ill 3 mentally unbalanced 4 counterfeit not genuine 5 homosexual in general usage still chiefly a slang term of contempt or derision but lately used by some as a descriptive term without negative connotations Webster s Dictionary queer adj used to describe a 1 body of theory 2 field of critical inquiry 3 way of proudly identifying a group of people 4 way of seeing the world 5 sense of difference from the norm David Shneer and Caryn Aviv Queer in America Now and Then Contrasting queer life today and in years past this landmark book brings together autobiographies poetry film studies maps documents laws and other texts to explore the meaning and practice of the word queer By this Shneer and Aviv mean queer as both a form of social violence and a call to political activism queer as played by Robin Williams and Sharon Stone and as lived by Matthew Shepard and Brandon Teena queer in the courthouses of Washington D C and on the streets of hometown America Contextualizing these contemporary stories with ones from the past and understanding them through the analytic tools of feminist social criticism and history the authors show what it means to be queer in America

Family, Law, and Community Margaret F. Brinig,2010-05-15 In the wake of vast social and economic changes the nuclear family has lost its dominance both as an ideal and in practice Some welcome this shift while others see civilization itself in peril but few move beyond ideology to develop a nuanced understanding of how families function in society In this provocative book Margaret F Brinig draws on research from a variety of disciplines to offer a distinctive study of family dynamics and social policy Concentrating on legal reform Brinig examines a range of subjects including cohabitation custody grandparent visitation and domestic violence She concludes that conventional legal reforms and the social programs they engender ignore social capital the trust and support given to families by a community Traditional families generate much more social capital than nontraditional ones Brinig concludes which leads to clear rewards for the children Firmly grounded in empirical research Family Law and Community argues that family policy can only be effective if it is guided by an understanding of the importance of social capital and the advantages held by families that accrue it
