We Remember Cuba:

We Remember Cuba John H. Parker,1993-01-01 After thirty years Cuba remains emotional nostalgic subject for all Cuban exiles the Americans Yankees who called Cuba their home In WE REMEMBER CUBA Giles S Gianelloni President of Golden Quill Inc a publishing corporation based in Sarasota FL has brought back John Parker s wonderful stories of pre revolutionary Cuba with all the poignancy humor tragedy that marked that special time Travel back to a world of drama color romance told by those who knew it best sample chapters follow HAVANA S BARTENDERS This smuggling paraphernalia was hardly a secret since the favorite hangout of the U S Customs men stationed in the Havana Embassy was in Sloppy Joe s HEMINGWAY Hemingway was a loner He usually could be seen alone in his favorite bar the old Floridita where he would occupy the end bar stool on the Obispo side of the restaurant He was also fascinated with death whether of man bulls big game or tiny doves was a dedicated hunter He would appear at the Cerro Gun Club alone with a bottle of rum another bottle of his favorite wine as a chaser shoot doves that would be launched into the air from different pits by the attendants After John Parker passed away in 1989 Giles Gianelloni took over his duties as secretary of the Cuban Claims Association Among the files received was an original copy of Yankee You Can t Go Home Again This story needed to reach a greater audience to help record recall for all of us who were fortunate to have lived in Cuba before World War II work there after this conflict the daily activities sounds scenes of that wonderful island its people In WE REMEMBER CUBA we hope to keep the hopes fond remembrances alive Castro's Network in the United States (Fair Play for Cuba Committee). overshadowed This book gives voice to diasporic Cubans living in Spain the former colonial ruler of Cuba By focusing on their lived experiences of displacement the book brings to light imaginative narrative re creations of the nation from afar Drawing on extensive ethnographic fieldwork the book argues that the Cuban diaspora in Spain consists of three diasporic generations generated through distinct migratory experiences This constitutes an important step forward in understanding the dynamics of memory making and social differentiation within diasporas and in appreciating why people within the same diaspora engage in different modes of transnational practices and homeland relations
