Webvertising The Ultimate Internet Advertising Guide Hott Guide:

Webvertising SCN Education B.V.,2013-11-11 There is no doubt dr Kevin Nunley wrote the Internet really is the biggest gold rush of our lifetime It is unlikely you or I will get another chance as big as this one to earn huge profits anytime in the next 100 years Someday people will look back and judge us as one of two groups those who didn t recognize the Internet revolution and missed the greatest chance of our age and those who smartly made a place for themselves in the new business model that will dominate the future It is time to get on board Ing Adrian Mulder Content Editor Adrian Mulder is an Internet journalist who writes for major business computing magazines He combines a technical background with a vast experience in the computer and business trade magazine industry The Ultimate Internet Advertising Guide Acknowledgements Many people and professionals have contributed directly or indirectly to this book To name them all would be practically impossible as there are many Nevertheless the editors would like to mention a few of those who have made the production of this book possible Executive Editor for SCN Education BV Robert Pieter Schotema Publishing Manager drs Marieke Kok Marketing Coordinator Martijn Robert Broersma Content Editor ing Adrian Mulder Editorial Support Dennis Gaasbeek Rob Guijt Richard van Winssen Interior Design Paulien van Hemmen Bach Also we would especially like to thank dr Roland van Stigt for laying a solid foundation for the Hon Guide series to grow on

Customer Relationship Management SCN Education,2013-11-11 The rules change when the tools change Generating traffic to a website and catching the interest of the visitor in order to make him buy a product or a service is within everyone s reach today Intensive research try outs and the learning experience of E Commerce pioneers have helped to uncover the marketing sales possibilities of the Internet But now that we have customers visiting our site how do we keep them coming back How to get a clear profile of each customer so we can give him or her the service he s looking for And offer him other products he could also be interested in To achieve this companies are increasingly turning to Customer Relationship Management the concentration of sales marketing and service forces by integrating all dataflows into one data warehouse thus blending internal processes with technology The right way to market sell and service customers requires a different CRM strategy for every company Some organizations that reengineered their CRM processes are reporting revenue increases of up to 50% whereas others have had obtained minimal gains or no improvement at all The difference between the success or failure of a CRM project lies in the knowledge and ability that an organization brings to its efforts This Hon Guide defines CRM from different points of view sales marketing customer support and technology

Customer Relationship Management SCN Education,2001-04-27 This HOTT Guide defines CRM from different points of view sales marketing customer support and technology By presenting white papers on the technology business cases reports sharing the major trends occurring in the CRM marketplace interviews with experts in the CRM field and a special chapter dedicated to the implementation of CRM in callcenters the reader will have the most complete file on CRM possible at his disposition
