Family Studies Anuja Agrawal,2024-10-31 Within the social political and economic contexts existing in modern day India family is neither a simple remnant of tradition nor a domain merely representing insulated private lives Rather it is implicated in malleable yet overpowering structures relationships and practices If the family is a crucial site of ideological and imaginative investments playing a critical role in reproducing and defining contemporary selves and societies families are responsive to and constrained by the complex dynamics in which they are enmeshed Family relationships remain fundamental to survival and security even as policy and legislative imperatives as well as reproductive and communication technologies play a crucial role in reshaping them Critically interrogating the extant approaches to and concepts within the study of family Family Studies brings together diverse contributions by scholars from varied backgrounds to focus upon issues central to the conceptualization of family and their implications for Indian society The chapters in this volume make a strong case for why family as an ideological construct and families as a multitude of lived relationships should continue to be subjects of critical social scientific attention

Ruth Asawa and the Artist-Mother at Midcentury Jordan Troeller,2025-07-01 How a group of artist mothers in postwar San Francisco refused the centuries old belief that a woman could not make art while also raising children For most of modern history to be an artist and a mother was to embody a contradiction in terms This awful dichotomy as painter Alice Neel put it pitted artmaking against caretaking and argued that the best art was made at the expense of family and futurity But in San Francisco in the 1950s and 1960s a group of artists gathered around Ruth Asawa 1926 2013 began to reject this dominant narrative In Ruth Asawa and the Artist Mother at Midcentury Jordan Troeller analyzes this remarkable moment Insisting that their labor as mothers fueled their labor as artists these women redefined key aesthetic concerns of their era including autonomy medium specificity and originality Delving into the archive where the traces of motherhood have not yet been erased from official history Troeller reveals Ruth Asawa s personal and professional dialogue with several other artist mothers including Merry Renk Imogen Cunningham and Sally Woodbridge For these women motherhood was not an essentialized identity but rather a means to reimagine the terms of artmaking outside of the patriarchal policing of reproduction This project unfolded in three broad areas which also structure the book s chapters domesticity and decoration metaphors for creativity and maternal labor in the public sphere especially in the public schools Drawing on queer theory and feminist writings Troeller argues that in belatedly accounting for the figure of the artist mother art history must reckon with an emergent paradigm of artmaking one predicated on reciprocity caretaking and futurity

In Search of Amrit Kaur Livia Manera Sambuy,2023-03-14 As she builds her own life anew an Italian writer embarks on an all consuming search for the true story of the mysterious princess H H Amrit Kaur of Mandi On a sweltering day in 2007 having just lost her brother to illness Livia Manera Sambuy finds herself at a museum in Mumbai enthralled by a 1924 photograph of a stunningly elegant Indian princess What she reads in the

picture's caption will change her life forever This alluring Punjabi royal had supposedly sold her jewels in occupied wartime Paris to save Jewish lives only to be arrested by the Gestapo and sent to a concentration camp where she died within a year Could it be true And if so how could such a sensational story have gone unreported Almost against her will Manera becomes drawn into the mystery of Amrit Kaur Delving into the history of the British Raj its durbars and society balls and jubilees she shows us the precipitous decline of India's royal caste through the lives of extraordinary figures such as Amrit's father the larger than life Maharaja Jagatjit Singh of Kapurthala the Jewish banker Albert Kahn and the Russian explorer Nicholas Roerich all while pursuing the elusive Amrit Kaur's story When she meets with the princess's eighty year old daughter Manera's search takes on a new dimension as she strives to reintroduce an orphan to a mother who disappeared in 1933 leaving behind two children her raja husband and a legacy of activism in India's nascent women's civil rights movement In Search of Amrit Kaur is an engrossing detective story a kaleidoscopic history lesson and a moving portrait of a woman seeking personal freedom against the backdrop of a world in upheaval **Passionate Publishers** Phoebe Kornfeld,2021-08-12

practice and collective memory However archives that have undergone migration or were established by individuals or communities with migration experience gain little public and institutional attention This volume with its transversal perspective across the fields of art anthropology and social activism offers new perspectives on the enormous potential of migratory archives as resourceful spaces for encounter and remembrance and as a contribution to the plural collective memories and identities of post migratory societies Emphasizing the archival agency by migrants the chapters raise new questions with regard to the multi directional collaborative forms of knowledge production within and beyond an archive its boundaries and its materiality Focusing on the complexities of power relations spatial and temporal dynamics media practices and meaning production involved in the making maintenance viewing appropriation destruction and loss of such archives the chapters contribute to a critical methodological and theoretical discussion about unsighted archives as spaces of encounter and resistance in a liminal zone of visibility and invisibility This book was originally published as a special issue of Visual Anthropology
