What Your ADHD Child Wishes You Knew
Sharon Saline, 2024-06-06
Wonderfully written, infused with positive energy and solid information. All parents of children who have ADHD should buy it. Edward Hallowell MD. What if you could work with your child, motivating and engaging them in the process to create positive change once and for all? In this insightful and practical book, veteran psychologist Sharon Saline shares the words and inner struggles of children and teens living with ADHD and a blueprint for achieving lasting success by working together. Based on more than 25 years of experience counseling young people and their families, Dr. Saline's advice and real-world examples reveal how parents can shift the dynamic and truly help kids succeed. Topics include setting mutual goals that foster cooperation, easing academic struggles, tackling everyday challenges from tantrums and backtalk to staying organized, building friendships, and more. With useful exercises and easy-to-remember techniques, you'll discover a variety of practical strategies that really work, creating positive change that will last a lifetime.
