## **Solving Your Financial Problems:**

Rich Dad's Increase Your Financial IQ Robert T. Kiyosaki,2008-03-26 For years Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work Too many people are much more interested in the quick hitting scheme or trying to find a short cut to real wealth As Kiyosaki has preached over and over again one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race Now in this latest book in the popular Rich Dad Poor Dad series Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand In INCREASE YOUR FINANCIAL IQ Kiyosaki provides real insights on these key steps to wealth o How to increase your money how to assess what you're really worth now what your prospects are and how to start mapping out your financial future o How to protect your money for better or for worse taxes are a way of life Kiyosaki shows you that it's not what you make it's what you keep o How to budget your money everybody wants to live large but you have to learn how to live within your budget Kiyosaki shows you how you can o How to leverage your money as you build your financial IQ knowing how to put your money to work for you is a crucial step o How to improve your financial information Kiyosaki shows you how to accelerate your wealth as you learn more and more Money IQ Financial Psychology AYŞE FULYA ÇALAR,2024-10-25 Understanding the role money plays in our lives may seem like simple math but true wealth and financial freedom require a much deeper awareness This awareness is not about how money is earned but about how it is given meaning how it is managed and how it is viewed In writing this book I aimed not only to increase your financial literacy but also to radically change the way you think Because being rich is not just about making more money or working harder as many people think True wealth is in your ability to manage your relationship with money This is possible when you can manage not only the events in the external world but also the beliefs emotions and behaviors in your internal world Many people are driven by their biggest enemies when it comes to making big financial moves their fears habits and misconceptions This book will show you how to overcome these limitations not just in your pocket but in your mind When you remove your mental and emotional barriers you will see how your financial intelligence grows exponentially and spreads to every area of your life Remember If you want wealth you have to think When you realize that money is not just a tool but the psychological and emotional factors behind it are very powerful you will have made the biggest investment in your life This book provides you with a step by step guide to financial freedom providing a solid foundation on which to build your own wealth When you finish this book you will notice that your relationship with money has changed radically Your thinking will be more strategic your emotions more controlled and your goals clearer You will understand how your brain makes financial decisions which subconscious patterns control you You will discover the reasons behind the decisions you make and most importantly you will experience how your financial intelligence increases rapidly as your fears decrease **Learning**

*Building Wealth with Silver* Thomas Herold, 2011 The greatest transfer of wealth in the nation and the world is now unfolding Money is about to flow away from the financially uninformed and flow towards the financially well informed in the years ahead Whenever governments start to dilute their money investors transfer their money into gold and silver Although gold is a great way to preserve your wealth it s silver you could actually make a fortune with Protect your savings and create a substantial investment income every single month Financial ignorance is the only reason you are not yet cashing in on the biggest wealth transfer in history A Solid Method to Achieve Financial Freedom This book will show you exactly how to live and prosper by the new laws of money in the new economy It will show you how to beat the new money thieves Banks and Governments at their own game while quietly profiting from the money meltdown that is now underway We are approaching a monetary crisis of epic proportions never before seen You are probably aware of the rising price of gold that s been going on for almost 10 years now Most recently gold started climbing with even greater speed History repeats itself again and again Whenever governments start to dilute their money investors transfer their money into gold and silver Gold and silver have intrinsic value and will always prevail in any economy Many financial experts predict that gold could at least double to 3 000 3 500 and some say even 5 000 But experts also predict the price of silver could rise seven to eight times its current value before hitting its peak What most non investors and investors including yourself probably don t realize is that although gold is a great way to preserve your wealth it s silver that could actually make you rich The price of gold has already risen dramatically but silver is just beginning its parabolic climb Over the last 9 years the silver price increased an average of 29% per year Compare this to the stock and real estate market which declined when

adjusted for inflation Nine Reasons Why Silver is a Unique Wealth Building Instrument Silver like gold has intrinsic value Silver has been in a commodity bull cycle since 2000 Silver is a safe hedge against currency inflation Silver is a security choice during times of financial crisis Silver is rarer than gold Silver is used in 90% of all electronics and its mostly non renewable Silver leasing the scam will be exposed soon Silver investment markets are expanding thanks to the Chinese What You Will Learn From Building Wealth with Silver You will discover why the Federal Reserve was created and why you and I have been kept in the dark about its true purpose You will find out why the U S dollar is quietly being destroyed without fanfare and the reason this process is being publically denied and covered up Learn Why Silver is the Best Investment Opportunity Right Now Get the facts on silver production and consumption and all the details behind silver s projected five to eight fold increase over the next several years Financial Education Is The Solution To Financial Freedom Discover the facts about our global banking and government system that will change the way you look at money forever You will learn how to buy silver at the lowest price Professional trading techniques that leverage and maximize your profit Understanding how the money system works will give you financial freedom During the next few years the global financial system will be restructured on a scale that has never seen before There are a few opportunities for you to profit from it silver is one of them
