Somebody Else:

Somebody Else's Sky Jessica Hawkins, 2017-05-22 This is the best slow burn romance I have ever read New York Times bestselling author Penelope Ward If I closed my eyes I could still see them all blonde sunshine ocean blue eyes and long limbs The glint of Lake s gold bracelet Pink cotton candy on Tiffany s tongue My scenery may have changed from heaven to hell but some things never would my struggle to do right by both sisters To let Lake soar To lift Tiffany up The sacrifices I made for them I made willingly A better man would ve walked away by now but I never claimed to be any good I only promised myself I d keep enough distance If I d learned one thing from my past it was that love came in different forms You could love passionately hurt deep die young Or you could provide the kind of firm steady support someone else could lean on Lake was everything I wanted and nothing I could ever have I was nobody before I knew her and a criminal after The way to love her was to let her shine even if it would be for somebody else Book two in a completed USA TODAY bestselling love saga
