Stolley,2009-04 The resonating metallic tone of the voice is a constant nuisance to Michael Tyler As a boy every time he hears it he lashes out violently By the age of ten he s taking regular doses of medication and it isn t long before he s institutionalized But now he s all grown up out on his own and the phantom voice has returned This time it won t go away It tells Michael it s an alien entity that is able to communicate with him through a portal in his own mind Not everyone has these portals he s one of a select few Michael is happy for the first time in a long while knowing that perhaps he isn t crazy after all And with the help of the voice he develops psychic abilities and uses them to win back control of a private trust that gains him access to a fortune But now the voice wants Michael to begin communicating with others who have portals as well By linking with them he can share his psychic abilities and they all can become powerful Join Michael on a fantastic journey filled with adventure unanswered questions and false appearances in The Distant Voices     *Masonic Voice-review* ,1912     v. 2.
