The Divine Triunity:

The Divine Trinity David Brown, 2012-01-09 This book the first serious analysis of the doctrine of the Trinity for many years presents a defense against the conservative treatment of the Trinity as an impenetrable mystery and against the radical position that the doctrine is incoherent and therefore unacceptable Brown favors the founding of a new discipline of philosophical theology or the widening of the horizons of the philosophy of religion to apply more widely the type of penetration of theology by philosophy that he exemplifies in his treatment of the Trinity He argues for belief in an interventionist God theism rather than deism and contends that biblical criticism and historical research do not imply the abandonment of Christian belief since the historical original should not be equated with theological truth Although historical difficulties must prevent any literal acceptance of the Gospel accounts in toto the true Christ can be disentangled from the historical Jesus by philosophical method Wide ranging in scope rigorous and candid in argument Brown s work will prove of interest to educated Christian laypersons and others beyond the boundaries of professional theology and philosophy of religion Perhaps most provocative is Brown s assertion that the Resurrection must be accepted as a literally true visionary experience and that anyone who accepts it must be prepared to take seriously other visionary experiences for example visions of the Virgin Mary even if he rejects them in the end It is certainly an astonishing truth that God should be so interested in a being of such vastly inferior powers as man says the author But that clearly must be the implication of the doctrine of the Trinity To have reached this conclusion by means of philosophical argument is to have taken a major step toward the complete penetration of theology by philosophy that Brown calls for

The Divine Triunity William Norman Pittenger, 1977 **The Divine Trinity**, [The Divine Trinity; a Dogmatic Treatise](#) Joseph Pohle, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1911 edition Excerpt SECTION 3 NEW TESTAMENT TEXTS TREATING OF THE DIVINE PERSONS SEVERALLY In demonstrating the dogma of the Most Holy Trinity from those texts of Sacred Scripture which treat of the Divine Persons severally we shall have to establish three distinct truths i The reality of each Divine Person in contradistinction to mere personification 2 the noncoincidence of each Person with the others in contradistinction to the Sabellian heresy which confuses them and 3 the Divinity of each Person in opposition to the Arian and Macedonian doctrine that the Son or the Holy Ghost is a creature As Logos is manifestly synonymous with Son of God and Paraclete with Holy Ghost there cannot be five Divine Persons but only three To establish the hypostatic difference of these three is the purpose of the first two members of this argument while the third shows forth the absolute unity of the Divine Nature possessed by the three Persons of the Blessed Trinity in common The most important part of our task in this Section is to establish the true Divine Sonship of Jesus Christ 43 a conception which fully harmonizes with the dogma of the Blessed Trinity and sets forth with great clearness its two fundamental marks viz Trinity and Unity For as Gossler pertinently

observes Belief in and knowledge of the Triune God is conditioned upon belief in and knowledge of the Son of God 1 The combined results of exegetical research ultimately lead to the dogma of a real Trinity of Persons in one divine and indivisible Monad ARTICLE i OF GOD THE FATHER i God s Fatherhood In The Figurative Sense Of The Term The Biblical use of the name Father indicates that He to whom it is applied is a real person It also proves His Divinity But it does *The Divine Trinity* Joseph Pohle,2010-10-01 In this volume Pohle traces references to the doctrine of the Trinity in the Old and New Testaments and shows how the Trinity is foreshadowed in God s covenant with Israel and in the fulfillment of the covenant in Christ He then outlines a detailed doctrine of the Trinity drawing from the entire Bible the liturgies of the Early Church and the subsequent development of doctrine A discussion of various heresies in the church s history also figures prominently The second half of this volume deals with the relationships between each person within the Trinity along with the ways in which the Trinity is revealed through reason revelation and the acceptance of mystery Pohle asserts that evidence for the Trinity exists in both reason and revelation but famously states Christians must first believe then inquire **The Divine Trinity: A Dogmatic Theology** Pohle Joseph,2019-02-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Divine Dispensing of the Divine Trinity for the Divine Economy** Witness Lee, This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Thanksgiving weekend conference held in Washington D C on November 24 27 2022 The general subject of the conference was The Divine Dispensing of the Divine Trinity for the Divine Economy Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **The Divine Trinity** Joseph Pohle,Arthur Preuss,1911 **The Divine Dispensing of the Divine Trinity** Witness Lee,1990-06-01 Dispensing means to distribute God dispenses Himself to you just as you may dispense food to your guests Many readers of the Bible have realized that in the Gospel of John the Father is revealed the Son is revealed and the Spirit is revealed But not many have realized that in the Gospel of John the Triune God the Father the Son and the Spirit is revealed for the dispensing of Himself into us first as life

Rohr, 2016-10-28 *The Divine Dance* has become a classic for fans of Richard Rohr and an important book on Christian mysticism it provides a fresh perspective for anyone studying or teaching the trinity The Trinity is the central doctrine of Christianity but it is still widely considered a mystery we won't ever fully understand Should we still try to understand it even

so If we could how would it transform our relationship with God In this stimulating and thought provoking book internationally recognised teacher Richard Rohr explores the nature of God and the paradoxical idea of the Holy Trinity as both three and one With clear surefooted wisdom he encourages us to build on the early Christian understanding of the relationship between Father Son and Spirit as a flow and dance a Divine Dance that we are invited to join in An engaging accessible look at the nature of God The Divine Dance will challenge the way you think about the Trinity and give you a much fuller understanding of the triune relationship that is at the heart of Christian doctrine It will leave you with a faith that is renewed and strengthened and show you how you can engage more deeply in your relationship with God and the world through the Trinity
