The Theatre of Nuclear Science Jeanne Tiehen, 2021-11-28. The Theatre of Nuclear Science theoretically explores theatrical representations of nuclear science to reconsider a science that can have consequences beyond imagination. Focusing on a series of nuclear science plays that span the twentieth and twenty-first centuries and including performances of nuclear science in museums, film, and media, Jeanne Tiehen argues why theatre and its unique qualities can offer important perspectives on this imperative topic. This book will be of great interest to students and scholars of theatre, politics, and literature.

The Theater Experience Edwin Wilson, 1994. The ideal theater appreciation text for courses focusing on theater elements. The Theater Experience encourages students to be active theatergoers as they learn about the fundamentals of a production. By addressing the importance of the audience, Wilson brings the art of performance to life for students who may have little experience with the medium.
