Ministries, 2002-01-01 The Christian world has been challenged by the theological mind and prolific pen of Jay Adams. The challenge has been to do ministry biblically. One of the primary emphases of this challenge has been to help believers handle all of life by the proper interpretation and application of God's sufficient Book, the Bible. Maturing the saints, disciplining, counseling, ministering the Word, biblical mentoring are all words and phrases that describe the process. Dr. Adams has challenged us with that is using God's Word to help God's people grow and change to become more like God's Son, Jesus Christ. This study guide is a tool designed to serve as a companion to Dr. Adams' book *A Theology of Christian Counseling*. A *Theology of Christian Counseling* originally entitled *More Than Redemption* was one of Dr. Adams' first books. It discusses several areas of doctrine including the doctrine of man, Anthropology, salvation, Soteriology, God, Theology, Proper the Scripture, Bibliology, and the local church, Ecclesiology. Each doctrine is treated from a Biblical sufficiency position and applied in practical, relevant ways. After all, the Word of God is useful. II Timothy 3:16 for all of life and godliness. II Peter 1:2-3. Having a systematic understanding of key areas of doctrine will equip you to both live and minister truth more effectively. A *Theology of Christian Counseling* has been a tremendous help to me in establishing a solid theology for biblical ministry, and I'm convinced it will do the same for you. My desire is to provide a vehicle that will aid the student in using this book for the greatest profit. The study guide questions emphasize only the content of the book itself, helping the student pull pertinent truth for growth in life and ministry. The questions will serve to focus your attention and provide both accountability for you and a record of your study. Local churches, men's and women's groups, small group Bible studies, Bible Institutes, colleges, seminaries, as well as individuals will benefit from using this study guide. **Subject Guide to Books in Print**, 2001

Counsel With Confidence Joel James, 2018-10-01 When you were learning to ride a bicycle, the hardest part was the first few pedal strokes, those wobbly seconds before you built up enough momentum to maintain your balance. A generous push from your dad was just what you needed to avoid ending up in a heap of elbows, knees, handlebars, and spokes. Counseling is similar. Sometimes you need something to give you some momentum, something to give you the confidence that you're on the right track. If you've ever felt like that, this book is for you. *Counsel With Confidence* is a book to guide counselors and church leaders in being well informed and to help them bring about heart-based change in the lives of the people they counsel through the right application of Scripture. *How to Help People Change* Jay E. Adams, 1986 Change is the essential goal of the counseling process, as the author reminds us. This book provides us with an explanation of the idea that substantial change requires the alteration of the heart. *Biblical Counsel*, 1993 [Paperbound Books in Print](#), 1992
