Option Trading Demystified: Six Simple Trading Strategies That Will Give You An Edge Sean Hyman, 2014-07-13. There are many books out there on options trading. However, many of them are very hard to understand. This book is designed for the beginner to intermediate level options trader in mind. It will tell you what you need to know in order to be successful in trading options rather than everything that can be known about trading options. This will most likely be the easiest to understand book on options that you've ever read. Plus, it contains six simple to use trading strategies that can give you a huge edge in your options trading. So if you've never traded options before or you've not been all that successful in trading options, then this book is for you.

The Rookie's Guide to Options Mark D. Wolfinger, 2008. Learn to use options from veteran option trader Mark D. Wolfinger who spent more than 20 years on the floor of the Chicago Board Options Exchange (CBOE). If you are a seasoned stock trader or a casual investor who dabbles in mutual funds, this book is for you.

[Options Trading Strategies](#) Scott J. Danes, 2014-09-08. Complete Guide to Getting Started and Making Money with Options Trading. Novice and even experienced investors are often wary of investing in options. Many people view options as risky, exotic, and only for investors with large bankrolls. However, nothing could be further from the truth. Options are a great way for all investors, regardless of experience or risk tolerance, to expand their portfolios and make money in the stock market, whether the market is going up or down. Options are the perfect vehicle for increasing your leverage, allowing you to turn a small investment into exponentially large rewards. They can also be used as an insurance policy protecting your investments in case of a market downturn. In short, options are a tool that every investor should understand and potentially put to use. In this book, you'll learn all the ins and outs of stock options, from basic puts and calls to more exotic straddles and spreads. By the end of this guide, you'll have a complete understanding of trading options and be able to put them to use in your own portfolio, implementing both simple and more advanced strategies. Included are many real-world and easy-to-follow examples so you will be able to clearly understand each of the principles and strategies discussed in action. Included in this book: Options 101, Advantages and Disadvantages of Options Trading, Types and Styles of Options, Using Call and Put Options to Make a Profit, Option Prices and Valuation, Getting to Know the Greeks, How to Open an Options Account, How to Place a Trade, Successful Option Trading Strategies, Spreads, Straddles, Iron Condor, Iron Butterfly, Collars, Strangles, and more.
