Dear Mary,

It was a wonderful pleasure to style you again and appreciate you letting me know your requests today! I sent a selection of pieces that are true staples and easy to wear with black pants. I sent the go-to camel blazer! What do you think of this fit and have any lightweight sweaters to send at some fabulous cotton tops. The Tote is mostly cotton fabrication and can be the Dal v-neck top, as well as the cotton fabrication and more. I hope

## Story Box:

**A Box Full of Tales** Kathy MacMillan, 2008-04-14 In Maryland's Carroll County story boxes have made this impossible dream come true for twenty years. Now MacMillan, writer, storyteller, and former children's librarian outlines the proven story box system for sharing an array of successful programs. Story boxes offer a simple method for capturing ideas, talent, creativity, and resources available in your library. Including step-by-step instructions from concept through implementation and supplemented by programming tips, *A Box Full of Tales* also offers detailed plans for fifty great story boxes, including suggested books, fingerplays, songs, props, crafts, and sign language. From Ah Choo to Antlers, from Monkey Business to Zoo Escapes, *A Box Full of Tales* is an easy way to offer winning, stress-free library programs for children without the headaches and the hassles. You can make the impossible happen when you share resources with story boxes. **BOOK JACKET**

Ethnography Susan Wardell, 2025-05-16 *Ethnography: The Basics* introduces a broad and beginner audience to ethnography as a research methodology with diverse applications. By using everyday language and developing a warm and inclusive tone, the book provides an accessible entry point to the topic. It offers a picture of the practice of ethnography that is both human and humane, tackling some of the practical barriers, ethical complexities, and lived experiences in an honest and straightforward way. Organized into eight chapters, the book provides a comprehensive overview of the unique purpose, value, and scope of ethnography, as well as a practical guide as to what the practice of ethnographic research involves, such as steps for designing research, gathering data, and analyzing and presenting findings. Without relying on assumed familiarity with or interest in discipline-specific histories and frameworks, *Ethnography: The Basics* combines clear structure, plain language, and thoughtfully selected examples and stories to welcome students into this interesting and valuable subject. The book will also be of great interest to academics and professionals who wish to supplement their ethnographic knowledge. *Report*
