## Structuring Time Notes On Making Movies:

**Structuring Time (Second Edition)** Michael Betancourt, 2009-05-01 A NEW KINETIC ART This book presents a new approach to the conceptual basis of all visual art and while it is about making movies the catch all for video film computer graphics and anything else that may appear to move the thrust of this book is a radical redefinition of all visual media including traditional standards like painting The framework these notes propose is a way of thinking about visual art that eliminates all former media in favor of a division based on our ability to see movement or change in a work of art While most movies change and move rapidly this understanding is equally concerned with the very slow or apparently immobile Revised and Expanded Second Edition

**Beyond Spatial Montage** Michael Betancourt, 2016-02-19 Beyond Spatial Montage Windowing or the Cinematic Displacement of Time Motion and Space offers an extended discussion of the morphology and structure of compositing graphic juxtapositions and montage employed in motion pictures Drawing from the history of avant garde and commercial cinema as well as studio based research here media artist and theorist Michael Betancourt critiques cinematic realism and spatial montage in motion pictures This new taxonomic framework for conceptualizing linkages between media art and narrative cinema opens new areas of experimentation for today s film editors motion designers and other media artists
