Jones,2014-05 I wrote this book of wonderful wisdom on workplace safety for three primary reasons 1 the complete furnishing of personal protection principles and practices 2 the common work of the workplace 3 the complex instruction of groups of workers in the workplace These three primary reasons as I strongly believe serve as real keys to achieving the noble goal of a safe workplace to unite workers in the belief that they can be safe to unite workers in the wisdom of workplace safety to bring workers to a mature state of complete oneness in purpose to bring workers to the point of being wise workers Though the wonderful wisdom of this book reserves the real potential to become universal it is primarily targeted at steel mills some of the most dangerous places in the world to work I firmly believe wisdom of workplace safety is the Master Key to producing wise workers Wise workers are the first principle to being safe workers Safe workers are the secret to a safe workplace A safe workplace is without a doubt the noblest of goals that can be set and striven toward by any steel mill L A Jones
