Padraic Colum

Unnamed Country:

Unnamed Country Dick Harrison, 1977 Americans have an idea of what the Great Plains did to the people who settled there but know little about the analogous process north of the 49th parallel or how it was reflected in fiction Dick Harrison's *Unnamed Country* fills this gap Harrison traces the varying literary responses to the Canadian prairies from the bewilderment of the first English speaking visitors who saw the country in essentially negative terms no wood no water down to the contemporary novelists who are employing sophisticated modern fictional techniques to reinterpret the whole experience from a new perspective Between these two ends of the literary continuum he finds the early writers of fiction too loaded down with what he calls excess cultural baggage brought from Britain or eastern Canada to see the country as it was the early twentieth century writers bemused by the myth of the garden who portrayed the prairies subdued and fruitful the prairie realists of the 1920s and 1930s akin to O E Rolvaag in their tragic view and their contemporaries the popular novelists who depicted the pioneering process in more affirmative tones

Gods of a Nameless Country Jeffrey Thomas, 2024-03-01 Until recently the land its people know only as the Unnamed Country has remained hidden from the eyes and minds of the rest of the world by dense jungles and formidable mountains And within those jungles and mountains lurk mysterious and terrifying creatures jade green tigers frighteningly intelligent wild pigs and shadow people that may just be the precursor to human beings Caught between their ancient history and the uncertainties of the future the people who dwell there are ruled over by Ten Jeweled Gods and the Ten Demon Lords of Hell Acclaim for Jeffrey Thomas's *Unnamed Country* stories This is a modern classic of writing about another country or culture on the level of Lafcadio Hearn or Italo Calvino It belongs on the shelf of any and every bookstore in any airport with a flight to Southeast Asia Its stories are disturbing insightful macabre vivid grotesque propulsive engaging and endlessly inventive Paul StJohn Mackintosh greydogtales on *The Unnamed Country* Jeffrey Thomas's unique flair for the unspeakable never shines brighter than when he visits the Southeast Asia of his dreams and nowhere does he delve deeper into that strange green country than here Cody Goodfellow author of *Vertical on Scenes From a Village* If you know something about Jeffrey Thomas's fiction you'll know that when he's not writing Weird SF stories set in the infamous and crime ridden Punktown he sometimes explores the unnamed country This country resembles the Viet Nam that Thomas has frequently visited but Viet Nam as seen through a lens slightly distorted by or perhaps slightly sharpened by imagination Brian Evenson from his introduction to *The Spirit of Place*

That Unknown Country, 1889 *That Unknown Country* Lyman Abbott, 1888 *The Power of Global Performance Indicators* Judith G. Kelley, Beth A. Simmons, 2020-03-19 Shows how global ratings and rankings shape political agendas and influence states behavior reframing how we think about power
