Valuebased Business Creation

Xiaolong Qi

Valuebased Business Creation:

Values-based Service for Sustainable Business Bo Edvardsson,Bo Enquist,2008-10-31 The role of values in developing and managing service companies has been under researched in the existing literature until now This book analyzes a large organization IKEA as a basis for values based service for sustainable business The authors provide an overview of the history of IKEA and the social and environmental perspectives that have acted as driving forces for creating economic value They go on to develop values based service thinking within the areas of service experience service brand and service leadership The book concludes by comparing IKEA to other values based service companies such as Starbucks H from these reflections the book presents the key principles for a sustainable values based service business

Developing a Value-Based Business Stanley Remple,2025-04-03 Strong business leadership built on a value based foundation has the power to drive profit while improving the lives of business leaders employees and even those in the community But to truly succeed a business leadership model must make sense within its cultural context Enter Leadership Wisdom for Businesses in China a powerful four book series that explores why an individualistic Western approach won t work in China Instead Remple offers a practical leadership blueprint that reflects Chinese leadership standards and ideals for an uncertain future In Book Two Developing a Value Based Business Author Stanley Remple examines the importance of a shared value based organization worldview to develop individual and collective potential He operationalizes this through a framework of six crucial leadership responsibility areas establishing the worldview identifying community values improving self leadership empowering shared decision making strengthening employee commitment and building effective communication Each of these areas is illustrated by a case study of a successful Chinese business Much more than a theoretical overview of business leadership this series is distinguished by a practical roadmap for developing both self leadership and business leadership within a whole company Supported by a Chinese project team consisting of researchers educators writers and editors business leaders and other stakeholders this culturally relevant series has been written for business leaders and entrepreneurs leadership consultants and trainers and post secondary leadership programs in China However stakeholders in the West will also find great foundational relevance in this comprehensive exploration of value based leadership The other books in the Leadership Wisdom for Businesses in China are Book One Confronting the Business Leadership Crisis Book Three Values Guide Decision Making for Results Book Four Cultural Factors Define Implementation Strategies Also available in Mandarin

Values-Based Innovation Management Henning Breuer,Florian Lüdeke-Freund,2017-09-16 Co authored by two leading experts in the field this unique and forward thinking new core textbook shows how innovation in processes products services business models and networks may be managed by what we care about The book combines theoretical insights with a strong practical element featuring a wealth of case studies and tools to help innovators solve societal problems and realise their ideals Readers are be encouraged to explore not only sustainability orientation and values of

privacy or safety but also their own unique values as relevant drivers for change within and across organisations

Accompanied by a strong pedagogical framework the book begins by reviewing the field of innovation management before going on to discuss innovation in processes products and services and finally providing the student with the methods and tools for implementing change This textbook is the ideal companion for advanced undergraduate or postgraduate students studying innovation management or entrepreneurship The book also provides an invaluable resource for entrepreneurs innovation managers and consultants

Sustainable Business Models Lars Moratis, Frans Melissen, Samuel O. Idowu, 2018-06-28 This book provides a rich overview and takes a closer look at the current state of theory and practice in the field of sustainable business models The chapters in this book examine and analyze existing and new approaches towards sustainable business models and showcase the implementation of sustainable business through both quantitative and qualitative studies including several case studies and many practical examples It approaches these issues from the standpoints of diverse business disciplines to yield new insights and ideas that are relevant from both an academic and professional perspective In its essence the book examines how firms value creation processes can be driven by sustainability and social responsibility and how this impacts business and society Readers will find a range of sustainable business models that have been employed and are being pioneered in various industries around the globe which are thoroughly investigated and discussed and put into a comprehensive conceptual framework

10th European Conference on Information Systems Management Paulo Silva, António Guerreiro, Rui Quaresma, 2016

Handbook of Sustainability-Driven Business Strategies in Practice Markovic, Stefan, Sancha, Cristina, Lindgreen, Adam, 2021-12-07 Sustainability is a top priority for organizations and a key strategy in corporate agendas but the effective deployment of any strategy demands that the strategy is consistent functional and aligned This Handbook advocates sustainability strategies that encompass environmental social and economic dimensions at department level

Value-Based Marketing Peter Doyle, 2000 This volume covers Shareholder Value SV which may be defined as a firm's ability to earn a return To achieve it a company must be perceived to operate in a viable market pursuing a strategy which promises sustainable competitive advantage

Malaysian Business, 1996 *Business India*, 1999 *Corporate Strategies for Managing Environmental Risk* Bernard Sinclair-Desgagné, 2004 Sinclair Gessagn cole Polytechnique France presents this collection of 33 previously published papers with the intention of demonstrating key contributions for corporate management of environmental resources and risks Originally appearing in business policy and economics journals between 1973 and 2003 the papers describe aspects of corporate
