

# Values Curriculum

Education extends beyond academics. It is just as vital to nurture our children's hearts as to develop their minds. Teaching values like kindness, honesty, grace, courtesy, respect, responsibility, and empathy help shape children into compassionate, thoughtful individuals ready to contribute positively to their communities.

## Why do Values Matter?

Values act as a compass, guiding children in their decisions and interactions. When children learn to embody kindness, respect, and empathy, they become more than just students—they become caring friends, responsible citizens, and future leaders. These qualities foster strong relationships, resilience, and a sense of purpose.

## The Values We Emphasize

Here are the core values we focus on and how we're bringing them to life in the classroom:

### 1. Kindness

- Teaching children to perform small acts of kindness, such as sharing, helping, or simply saying kind words.
- Celebrating "Random Acts of Kindness" to encourage thoughtfulness in everyday life.

### 2. Honesty

- Using stories and role-playing activities to show the importance of being truthful.
- Reinforcing honesty as a cornerstone of trust and healthy relationships.

### 3. Grace and Courtesy

- Modeling polite behaviors, such as greeting others warmly and using words like "please" and "thank you."
