Activities for Teaching Gender and Sexuality in the University Classroom Michael Murphy, Elizabeth Ribarsky, 2013-04-26
Activities for Teaching Gender and Sexuality in the University Classroom is the first interdisciplinary collection of activities devoted entirely to teaching about gender and sexuality. It offers both new and seasoned instructors a range of exciting exercises that can be immediately adapted for their own classes at various levels and across a range of disciplines. Activities are self-contained, classroom-tested, and edited for ease of use and potential to remain current. Each activity is thoroughly described with a comprehensive rationale that allows even those unfamiliar with the material concepts to quickly understand and access the material, learning objectives, required time and materials, directions for facilitation, debriefing questions, cautionary advice, and other applications. For the reader's benefit, each activity is briefly summarized in the table of contents and organized according to themes common to most social science classrooms: Work, Media, Sexuality, Body, etc. Many activities also include handouts that can be photocopied and used immediately in the classroom. *Activities for Teaching Gender and Sexuality in the University Classroom* will be the standard desk reference on this topic for years to come and will be indispensable to those who regularly teach on these topics. Building off its predecessor *Teaching Race and Anti-Racism in Contemporary America*, this book offers complementary classroom exercises for teachers that foster active and collaborative learning. Through reflecting on the gendered dimensions of the current political, economic, and cultural climate, as well as presenting novel lesson plans and classroom activities, *Teaching Gender and Sex in Contemporary America* is a valuable resource for educators. *Navigating Gender and Sexuality in the Classroom* Heather Killelea

McEntarfer, 2016-01-08. Gender identity and sexuality play crucial roles in the educational experiences of students, parents, and teachers. Teacher education must more directly address the ways that schools reflect and reproduce oppressive gender norms, working to combat homophobia, transphobia, heteronormativity, and gendered expectations in schools. This volume examines teacher candidates' experiences with gender and sexuality in the classroom, offering insight and strategies to better prepare teachers and teacher educators to support LGBTQ youth and families. This volume addresses the need for broader, more in-depth qualitative data describing teacher candidates' responses to diversity in the classroom, including gender, sexuality, race, class, and religion. By using pedagogical tools such as narrative writing and positioning theory, teacher candidates explore these issues to better understand their own students' narratives in deeply embodied ways. This book calls for schools to be places where oppression in all its complexity is explored and challenged rather than replicated.

Woolley, Lee Airton, 2020. *Teaching about Gender Diversity* is a collection of lesson plans that provide K-12 teachers in North America with the resources and tools to implement gender-inclusive practices, fully integrate gender diversity into their curriculum, and talk to students about gender. Authored by teachers who have direct experience teaching about gender diversity, this collection aims to help pre- and in-service teachers at all stages of comfort and confidence enhance their curriculum development skills in order to foster a classroom that welcomes all possible ways of living gender. The lesson plans unpack gender terminology, gender stereotypes, and the social construction of binary gender. Lessons range from read-alouds with early literacy picture books to creating a fanzine using visual arts from engaging mathematics in the study of gender-neutral pronoun usage to developing a character's gender identity in a dramaturgical study. *Methods of Teaching* Albert Newton Raub, 1893. **An advanced manual of teaching for teachers of elementary and higher schools** Advanced manual, 1880. **The Ohio Educational Monthly and the National Teacher**, 1888.
