Coffee or tea spill on the work desk

Boss struggles with tech

Too close to the camera

Mismatched outfit: Business top, pajama bottoms

"Can everyone mute themselves?"

Wi-Fi drops mid-call

"Can everyone see my screen?"

Lost connection and reconnects with "Sorry, where were we?"

Sound of a flushing toilet

Spontaneous nap between meetings

Doorbell rings during meeting

Kid or pet video bomb

Awkward virtual background choice

"Can you email that to me?"

Unintentional messy background in video call

Sudden and mysterious background noises

Double booked virtual meetings

"Next slide, please."

Mysterious echo in the call

"Is it Friday already?"

Eating during a video call but pretending not to

"Sorry, bad internet connection here."

"Sorry, I was on mute."

"You're still sharing your screen!"

Unexpected appearance of a partner or roommate

*AI and Innovation in HRM* Pushan Kumar Dutta, Amarnath Padhi, Sulagna Das, Vinod Kr Sharma, Poshan Yu, 2025-08-13

This book provides a comprehensive blueprint for organizations to strategically leverage AI technologies and drive innovation in their HRM practices enabling them to cultivate a future ready workforce that can thrive in the service centric marketplace. It weighs in on the challenges and opportunities brought forth by the convergence of AI and HRM in a rapidly evolving service economy. Drawing insights from management theory, organizational psychology and technology studies, this multidisciplinary book explores how AI can augment and elevate various facets of strategic HRM from talent acquisition and employee development to performance management and organizational culture enhancement. It offers a future focused perspective on HRM's evolving role in shaping the workplace of tomorrow, emphasizing the pivotal role of AI in fostering organizational agility, innovation and competitiveness. The international contributors delve into the unique challenges and opportunities presented by AI integration in service industry contexts, providing tailored strategies and best practices for effective adoption, as well as addressing ethical considerations and responsible governance of AI systems. This timely volume will be a valuable resource for scholars across human resource management, organizational management and innovation and technology management. It will be useful to HR professionals, business leaders and decision makers in service based organizations.

**Remote Work, Internal Marketing and Human Resource Management** Teena Mishra, 2024-12-02

Remote working is a developing idea that many organizations are embracing especially in light of COVID 19 and the rise in demand for remote and hybrid roles. As there is no standard model to use for implementation, a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized. This book presents the views, opinions and reality of remote work and creating an appropriate internal marketing culture in a remote environment. The key topics explored are the significance of remote work, remote work practice, reshaping the work environment, designing remote work models, remote work challenges of remote work facing business organizations, remote work management innovations and technology, the role of motivation and satisfaction in organizational development, employee empowerment in a remote setting, transparency and commitment for sustainable development and the future of remote work. This research volume will be of value to researchers, academicians, practitioners and students in the fields of human resource management, organizational studies and innovation management.
