Steps To Jesus:

Steps to Christ Youth Edition Ellen G. White, 2007 **Steps to Christ** Ellen G. White, 1908 **Steps To Jesus** Ellen G. White, 2020-05-03

Steps to Jesus is an adaptation of Ellen G. White's most popular book Steps to Christ. The original book has been translated into more than 160 languages and is being read by millions of people throughout the world. This adaptation enables the book's uplifting message to reach a wider audience, particularly the youth. It retains the author's thoughts but it restates 19th-century expressions in today's language, simplifies the vocabulary, and shortens long sentences following carefully established guidelines. With only a few exceptions, Scripture passages from the Today's English Version of the Bible have replaced text from the King James Version. Bible texts credited to RSV are from the Revised Standard Version and passages marked TLB are taken from The Living Bible. Although this adaptation of Steps to Christ is now available, the original book remains the standard work. It is our prayer that Steps to Jesus will bring a blessing to readers throughout the world. May its message lead many to accept Jesus and to follow Him always as Lord and Saviour.

Steps to Christ, 1969

Sheldon,1899 **The Making of a Personal Evangelist: Winning the World for Christ - One By One** Christopher Shennan,2014-03 The Making of a Personal Evangelist as the title suggests is more about becoming an evangelist than it is about the method employed Jesus told us that if we follow Him He will make us to become fishers of men He would transform us into evangelists The Making of a Personal Evangelist is a course that lays out the life principles that if followed will transform men and women into evangelists even before they adopt a method The method subsequently just becomes the tool to get the job done This is not a book for the casual student Both teacher and student need to be serious about reaching the lost and about submitting to the process of becoming what they may not initially feel qualified to be It is about allowing Jesus Christ to make them into fishers of men For those who are willing to accept the challenge this book will doubtless be of inestimable value **Oral-Scribal Dimensions of Scripture, Piety, and Practice** Werner H. Kelber,Paula A. Sanders,2016-09-30 In April 2008 a conference was convened at Rice University that brought together experts in the three monotheistic religions of Judaism Christianity and Islam The papers discussed at the conference are presented here revised and updated The thirteen contributions comprise the keynote address by John Miles Foley three essays on Judaism and the Hebrew Bible three on the New Testament three on the Qur an and two summarizing pieces by the Africanist Ruth Finnegan and the Islamicist William

Graham respectively The central thesis of the book states that sacred Scripture was experienced by the three faiths less as a text contained between two covers and a literary genre and far more as an oral phenomenon In developing the performative recitative aspects of the three religions the authors directly or by implication challenge their distinctly textual identities Instead of viewing the three faiths as quintessential religions of the book these writers argue that the religions have been and continue to be appropriated not only as written but also very much as oral authorities with the two media interpenetrating and mutually influencing each other in myriad ways
