## **The Oracle:**

**The Oracle's Heart** Evangeline Moonwhisper, The ancient temple of Delphi stood sentinel against the Mediterranean sky its weathered columns catching the first light of dawn Cassandra Thorne pressed her palms against the cool marble feeling the familiar tingle that preceded her visions At twenty six she had learned to recognize the signs the way the world seemed to shimmer at its edges the sudden clarity that preceded the overwhelming flood of images from futures yet to unfold Not now she whispered to herself closing her eyes and trying to center her breathing She had come to Greece seeking answers about her gift not more questions The Oracle of Delphi had been silent for over a millennium but the ancient stones still hummed with psychic energy that called to her across continents Dr Helena Vasquez her mentor and the leading researcher in parapsychology had arranged for Cassandra to spend three months here studying the historical connection between the site and prophetic abilities What Helena didn't know was that Cassandra's visions had been growing stronger and more frequent sometimes overwhelming her completely The vision struck without warning A man with storm gray eyes and dark hair standing in this very spot His hands reaching for hers across time and space The taste of copper pennies in her mouth danger A choice that would change everything Love that transcended the boundaries between worlds Cassandra gasped stumbling backward as the images faded Her heart raced as she tried to process what she had seen In all her years of experiencing prophetic visions she had never seen anything about her own future especially not something so vivid and emotionally charged

**The Oracle's Dark Prophecy** Shadowlyn Drake, The Oracle's Dark Prophecy A Seer's Vision A Conqueror's Desire A seer is a gift A seer is a weapon A seer is a curse For generations Eve's Romani family has guarded a secret a prophecy whispered in the tarot cards a vision of a powerful conqueror and the destruction he will bring As the last in a long line of oracles Eve's gift of foresight is both her greatest strength and her most terrifying burden The cards have never lied A dark lord is rising and Eve is the key to his victory When the Dark Lord's army descends a tempest of shadow and steel Eve is stolen from her people and forced into a gilded cage He is a predator a man of ruthless ambition and chilling power who sees her as nothing more than a tool But in the cold grand halls of his formidable castle a different kind of storm brews He is a man of secrets and she is the one who can see them all As she is forced to use her gift to aid his conquest Eve finds herself entangled in a dangerous game of wills Her prophetic visions are twisted by an unsettling magnetic attraction to the very man who holds her captive The same dark force that threatens her people's existence is also the one that ignites a forbidden fire within her Now Eve must make a choice that will decide not only her fate but the destiny of her entire people Embrace the path of prophecy and become the instrument of his victory or fight for her freedom and risk the destruction of everything she holds dear The Oracle's Dark Prophecy is a thrilling dark fantasy romance where destiny and desire collide in a world of magic conquest and forbidden passion
