

# Three Poets

People write poems to share what they see. They want us to feel the joy or sadness that they feel. The following three poets come from two countries, the United States and the United Kingdom. However, the language they use is the same. English!

**Michael Rosen** is a British children's book writer and poet. He enjoys writing poetry and reading it aloud with his children.

Michael Rosen and his daughter are eating at a table one day. A raisin "escapes." It seems to run away from its jar!

## A Dangerous Raisin (but my daughter Elsie is helpful)

by Michael Rosen

A raisin has escaped  
from the raisin jar.  
It's whooshing across the table  
like a shooting star.  
Now, it's leaping in the air  
like a kangaroo.  
"Look out Dad,  
it's coming for YOU!"

Michael Rosen writes very creative poems. His poem "Colour" encourages children to be creative, too.

## Colour

by Michael Rosen

Take a brush:  
the sky is green  
the grass is blue  
you are purple  
the house is silver  
the sun is black  
the river is gold  
the world has changed.  
Did you do that?

In the United States, the word is spelled **color**. In the United Kingdom, the word is spelled **colour**.
