Source Of Magic:

Source of Magic Piers Anthony,2002-03-26 A quest for the source of power threatened to doom the land of Xanth As a ruler of a country steeped in enchantment King Trent was naturally curious about the source of its magic It made sense to order Bink the only one of his subjects immune to supernatural harm to undertake a quest to discover the wellspring of Xanth s uniqueness From the beginning Bink and his companions Chester the centaur and Crombie the soldier transformed into a griffin were harried by an unseen enemy determined to thwart them Even the power of Good Magician Humfrey together with Bink s protective talent scarcely saved their lives Then when Humfrey and Crombie turned against him all seemed lost But Bink s ingenuity and luck prevailed and he reached his goal The King s orders had been carried out But the King had not expected Bink s next act to destroy utterly the magic of Xanth

The Möerden. The Origin of Magic Amanecer González Cantero,2023-05-16 Arana has grown oblivious to her origin When his gifts increase and there is no one able to teach him to master the power of his magical current it is time to leave the forest in search of the truth Moaste Mico and Nune set out on the road with her but nothing will go as planned The delicate thread that unites the worlds has been broken and the balance in magic capsizes while selfishness the ideals for the purity of the m erden blood and lies become entangled in the events that will take the young magician and her friends to a future uncertain where they must choose the path to follow well Past present and future intermingle to offer light to the protagonists who must learn to master magic and deal with the m erden to reestablish the bond that was broken Ancients spells dimensional portals and an endless number of characters beings and races will come together in this story to try to reverse the chaos that threatens to make Ibora disappear and the Origin of Magic will be the key

The Long Life of Magical Objects Allegra Iafate,2019-07-01 This book explores a series of powerful artifacts associated with King Solomon via legendary or extracanonical textual sources Tracing their cultural resonance throughout

history art historian Allegra Iafate delivers exciting insights into these objects and interrogates the ways in which magic manifests itself at a material level Each chapter focuses on a different Solomonic object a ring used to control demons a mysterious set of bottles that constrain evil forces an endless knot or seal with similar properties the shamir known for its supernatural ability to cut through stone and a flying carpet that can bring the sitter anywhere he desires Taken together these chapters constitute a study on the reception of the figure of Solomon but they are also cultural biographies of these magical objects and their inherent aesthetic morphological and technical qualities Thought provoking and engaging Iafate's study shows how ancient magic artifacts live on in our imagination in items such as Sauron's ring of power Aladdin's lamp and the magic carpet It will appeal to historians of art religion folklore and literature
