*The Red Thread* Ivan Garcia Sanchez, 2020-01-30 According to an ancient Japanese legend there is an invisible red thread that connects people The poems of *The Red Thread* continue and unravel the calligraphic line of some of those threads written in red ink they are also a thread of blood the blood of thought Little stories cryptic surreal Dark while bright they are

difficult to place in the mood They fray in the filaments of a cruel and capricious destiny the way we meet *The Red Thread* Lucinda Smith,2022-03-25 The Red Thread primarily explores the themes of both hope and freedom Hope for all of us who love God but who find ourselves struggling with fears and insecurities And freedom from the stuff that holds us back from living the abundant life promised by Jesus Writing with honesty about her own identity journey Lucinda s story of adopting a little girl from China beautifully illustrates the way that many of us live as spiritual orphans rather than as sons and daughters secure in the love of a Heavenly Father She suggests that in discovering this truth for ourselves we will then truly find in Him a place of safety and security to call home **Bring Me the Rhinoceros** John Tarrant,2008-11-11 A provocative and playful exploration of the Zen koan tradition that reveals how everyday paradoxes are an integral part of our spiritual journey Bring Me the Rhinoceros is an unusual guide to happiness and a can opener for your thinking For fifteen hundred years Zen koans have been passed down through generations of masters usually in private encounters between teacher and student This book deftly retells more than a dozen traditional koans which are partly paradoxical questions dangerous to your beliefs and partly treasure boxes of ancient wisdom Koans show that you don t have to impress people or change into an improved more polished version of yourself Instead you can find happiness by unbuilding unmaking throwing overboard and generally subverting unhappiness Author and Zen teacher John Tarrant brings the heart of the koan tradition out into the open reminding us that the old wisdom remains as vital as ever a deep resource available to anyone in any place or time **One Red Thread** Lindsay Ward,2026-09-01 One red thread connects us all Follow a red string as it makes its way through a community from people who know each other to people who don t from a call to play to a family welcome to feel better soon wish and finally a good night The red thread s journey intertwines them all and readers will delight in spotting the string in every mixed media illustration In many cultures throughout the world a red thread represents connectivity destiny luck protection faith and strength When it s often easy to feel lost or disconnected this heartfelt story is a gentle reminder that we are all here together even if we live in different places The impact we have on one another is greater than we can even imagine One Red Thread encourages children to recognize and cherish the connections that shape their lives and the back matter goes further It includes related activities to help start conversations within families and in classrooms about empathy kindness and the power of relationships *Following the Red Thread* Louise Kerr,2017-04-20 A frank and engaging memoir Following the Red Thread is a mother s full answer to her daughter s childhood question why did you adopt me Making sense of her early experiences as both the preparation and her motivation to adopt Kerr draws on the Chinese concept of the red thread to detail her long march towards China and the adoption of her much loved daughter Along the way she encounters many different Chinas and comes to love the infinite variety that is the People s Republic on the cusp of the third millennium Kerr s deep desire to adopt is intertwined with her journey back to faith From an outright rejection of Christianity in her teens she rediscovers her faith and realises a childhood promise to serve God overseas

Ultimately in seeking out her daughter she finds herself *The Red Thread, Vol. 1* Lazysheep,2023-10-10 I've dreamed about them ever since I was a child Pharm is a skittish but friendly young man who is excited to start his new life as a college student He'll make friends join a club and maybe figure out why he's always sensed that there's a certain someone he's fated to meet The moment he locks eyes with Dean the captain of the swimming club he's attracted to him in a way he's never experienced before Is this who he's been looking for all this time Does Dean feel the same way about him Perhaps the answers lie in past lives they have yet to remember *The Red Thread* (1) BL,2023-10-20

**Generative Leadership** Christine Joy Edwards-Groves,Karin Rönnerman,2021-02-12 This book is about the generative nature of leading practices when teachers as learners participate in long term action research projects for the purpose of professional development This book also shows how practices of professional learning and practices of leading can be understood as related and developed in ecologies of practices the authors show how these are explicitly connected These findings direct readers to the connectivity between professional learning and leading practices that over time after participating in long term action research programs emerged as significant yet unexpected outcomes
