Meyer, Johannes

Transparent Things:

Transparent Things Vladimir Nabokov, 2011-02-16 *Transparent Things* revolves around the four visits of the hero sullen gawky Hugh Person to Switzerland As a young publisher Hugh is sent to interview R falls in love with Armande on the way wrests her after multiple humiliations from a grinning Scandinavian and returns to NY with his bride Eight years later following a murder a period of madness and a brief imprisonment Hugh makes a lone sentimental journey to wheedle out his past The several strands of dream memory and time are set off against the literary theorizing of R and more centrally against the world of observable objects Martin Amis

Transparent Things Vladimir Nabokov, 1989-10-23 The darkly comic *Transparent Things* one of Nabokov's final books traces the bleak life of Hugh Person through murder madness prison and trips to Switzerland One of these was the last journey his father ever took on another having been sent to ingratiate himself with a distinguished novelist he met his future wife As casual as unpredictable as eccentric and as daunting as Mr Nabokov's genius Mavis Gallant *The New York Times Book Review* Nabokov's brilliant short novel sinks into the transparent things of the world that surround this one person to the silent histories they carry Remarkable even in Nabokov's work for its depth and lyricism *Transparent Things* is a small experimental marvel of memories and dreams both sentimental and malign The final effect is both chill and comic the transparencies both beautiful and terrifying *The Times London*
