Lloyd Perry

The Problem Of Preaching:

The Problem of Preaching Donald Macleod,1987 **The Challenge of Preaching** John Stott,2011-04-27 This book strongly challenges the notion that there is no place for preaching in the contemporary world It sets out the theological case for preaching and then goes on to describe what constitutes good preaching It does not focus on techniques to be used but on the nature of the task and the character of the one who preaches The good preacher works to build a bridge between the listeners and the truth being proclaimed To be able to do this the preacher must study both the Scriptures and the today s world The book offers some suggestions on how to go about preparing a sermon and calls for preaching delivered with sincerity earnestness courage and humility John Stott s thoughtful and practical advice given at some length in *I Believe in Preaching* has here been abridged by eliminating quotations and examples that spoke more directly to readers in the UK and the US in the 1980s Greg Scharf has retained the core of the original book but made it more accessible to contemporary readers

Preaching at the Crossroads David Lose,2013-12-01 The world is changing and preaching needs to do the same With that change the notion of truth need not be surrendered in a postmodern age but it must be approached differently David Lose argues that preaching is a confession made openly for the hearers to embrace and engage in the midst of the real lived world they experience *The Problem of Preaching* Dale J. DeLong,1965

Biblical Preaching for Today's World Lloyd Perry,1990-03-08 Biblical preaching has not outgrown its usefulness The methods may vary but the message remains the same God s challenge and call to the preacher still come through loud and clear Preach the Word Lloyd M Perry s *Biblical Preaching for Today s World* has been helping pastors and speakers preach the Word since 1973 Although the principles Perry originally established are timeless the needs and concerns of audiences are always changing To help pastors preach more effectively to today s congregations Perry has updated his original manuscript He offers pastors help in understanding and adjusting to the effects television has had on an audience s listening skills Historical references throughout each chapter will also help preachers learn from yesterday s teachers and styles *Biblical Preaching for Today s World* continues to offer sound time tested principles for preaching
