

World Class Cricketer

Alan Gibson Steel

World Class Cricketer:

Sachin Gulu Ezekiel,2002 In the twelve years that he has been in the public eye Sachin Tendulkar has been explosive on the cricket field and just as reticent off it He was barely fifteen years old when he first wrote his name into the record books with a stupendous 664 run partnership with his childhood friend Vinod Kambli Two year later he struck his first century in first class cricket At eighteen he became the second youngest man to make a hundred in international cricket and after that there was no looking back Records tumbled by the wayside as he captivated audiences first in his home city of Mumbai then in the rest of India and all over the cricket playing world Today Sachin is widely accepted as the world s finest batsman with impeccable technique an incredible array of strokes and maturity far beyond his years His teammates and friends swear by him his fans worship him and there are few if any critics of his game or his temperament In this biography of the hero of Indian cricket sports writer Gulu Ezekiel mines interviews press reports and conversations over the last decade to create an accurate and sympathetic account of the man and his first passion cricket He tracks Sachin from his childhood when he first caught the bug of cricket through his early performances in the Ranji Trophy and other domestic tournaments and follows him on his meteoric rise to international stardom With unfailing attention to detail he reconstructs the crucial matches and events that marked Sachin s career and unravels for us the magic of the charismatic cricketer whom Wisden once dubbed bigger than Jesus Sachin The Story of the World s Greatest Batsman the first serious exhaustive biography of the Tendulkar career so far brings back like a warm autumn breeze does the memory of the wunderkind s early exhilarating summers in international cricket The book is akin to a documentary in prose the book s big virtue is that it is laboriously researched and cross referenced For any quizzer on Mastermind India opting for The Life and Times of Sachin Tendulkar as their specialist subject there s good news You just got yourself the ready reckoner that covers 1973 2002 *Greatest Teams and Greatest Players - A History of Test Cricket* R. I. Gilbert,2025-08-15 Test cricket pits country against country in a five day struggle for cricket supremacy It is the ultimate cricketing challenge for those players who are skilful enough and dedicated enough to represent their country at the highest level But Test cricket is much more than that it is a source of national pride and a mechanism that brings together vastly different cultures and communities encouraging mutual respect as well as a shared admiration for the heroes of the game Ever since the first Test match in 1877 lovers of cricket have argued over who was the best the best team the best batsman the best bowler the best wicketkeeper the best captain the best slips fielder and so on Of the millions who have played cricket only 3 162 men have been good enough to play Test cricket for their countries and of these 841 were successful enough to play more than 20 Test matches This book is about those few the best of the best Based solely on the batting and bowling ratings obtained using only the players statistics the best Test team for each era has been selected from every Test player who played more than 20 Test matches in that particular time period The best national teams in each era for each participating country have also been selected It is hoped that the national and world teams selected here

and the comparisons between players provide for enjoyable reading both settling old arguments and creating new ones

Machine Guns and Cricket Bats Jeff Grzanic, 2012-07-01 *Machine Guns and Cricket Bats* is a behind the scenes look into the sometimes dangerous and always entertaining world of international cricket If you've ever wondered what destiny does when it's not arranging wars scandals and marriages ask author Jeff Grzanic As a toddler in Western Australia Jeff was involved in a serious car accident and spent decades recovering from his injuries before becoming an international cricketer for a country that didn't even exist when he was born Jeff's story of the battles of attrition in life from behind the crease makes an enchanting and intriguing read for fans of life not just cricket Competing in a world of sub elite international cricket the rewards are somewhat esoteric and the experiences closer to the bone His humour leads readers through the underbelly of European cricket including the cheap motels spectacular sights memorable food and most importantly the people
