Charmed: Let Gorgons Be Gorgons Part 2 of 4. When Piper, Phoebe, and Paige undo a spell that turned a local politician to stone, they little realize the powerful magic behind the hex. As attacks on innocents mount, the Charmed Ones enlist the help of their sister Prue, confined on the magical Nexus, but are unaware that the most heinous of mythical creatures, a gorgon, is to blame. Freed from her underground tomb, Medusa reluctantly joins her own sisters in their increasingly visible attacks around the city of San Francisco. At the same time, dark magic seems to be undoing all of Phoebe's work uniting couples in love through her advice column, and when her Cupid husband offers his assistance in healing the couples' broken hearts, she gladly accepts, even though it might mean having him team up with her ex-Cole. Inspired by the hit television series *Charmed*, the new novel *Charmed: Let Gorgons Be Gorgons* continues the story of the Halliwell witches. With only the *Book of Shadows* to guide them, the Halliwell sisters are the fulfillment of their ancestor Melinda Warren's prophecy that three sisters descending from her line would become the most powerful witches of all time. The sisters use the *Power of Three* to protect the innocent and banish evil from the earthly realm.
