## **Time In Language:**

**Time's Language** Margaret Randall,2018-09-01 Time s Language contains powerful poems of witness as well as personal poems and autobiographical prose pieces that read like prose poems recounting a life of resistance the life of a life long literary and political revolutionary As US Poet Laureate Juan Felipe Herrera writes Here are Margaret Randall s decades of love ink tears contestation and light let us bow in gratitude for this truth telling daring border breaking pioneering long time volume of soul fire

**Time: Language, Cognition & Reality** Katarzyna Jaszczolt,Louis de Saussure,2013-06-27 Linguists and philosophers examine the representation of temporal reference the interaction of the temporal information from tense aspect modality and context and the representation of the temporal relations between facts events states propositions and utterances They link this to current research in psychology and anthropology

*The Structure of Time* Vyvyan Evans,2004-03-05 One of the most enigmatic aspects of experience concerns time Since pre Socratic times scholars have speculated about the nature of time asking questions such as What is time Where does it come from Where does it go The central proposal of *The Structure of Time* is that time at base constitutes a phenomenologically real experience Drawing on findings in psychology neuroscience and utilising the perspective of cognitive linguistics this work argues that our experience of time may ultimately derive from perceptual processes which in turn enable us to perceive events As such temporal experience is a pre requisite for abilities such as event perception and comparison rather than an abstraction based on such phenomena The book represents an examination of the nature of temporal cognition with two foci i an investigation into pre conceptual temporal experience and ii an analysis of temporal structure at the conceptual level which derives from temporal experience

*Time's Language II* Margaret Randall,2023-09-01 *Time's Language I* Wings Press 2018 included selections from Margaret Randall s poetry collections beginning with her first self published book in 1959 and ending six decades later *Time's Language II* picks up where its predecessor left off enabling readers to savor Randall s later more mature work Here are robust selections from *Against Atrocity* *Out of Violence* into Poetry *Stormclouds* *Like Unkept Promises* *Vertigo of Risk* *Your Answer is Your Map* and *Home* as well as *Starfish on a Beach* the author s poetic response to the Covid pandemic and her most recent as yet uncollected production *Together* the two volumes present the range and depth of a poet whose work belongs to two centuries and records a woman s intimate life as well as her personal involvement with some of the most dramatic events of our time A life of poetry in its fullest expression

**Time: Language, Cognition & Reality** Kasia M. Jaszczolt,Louis de Saussure,2013-05-02 This book considers linguistic and mental representations of time Prominent linguists and philosophers from all over the world examine and report on recent work on the representation of temporal reference the interaction of the temporal information from tense aspect modality temporal adverbials and context and the representation of the temporal relations between events and states as well as between facts propositions sentences and utterances They link this to current research on the cognitive processing of temporal reference

linguistic and philosophical semantics psychology and anthropology The book is divided into three parts Time Tense and Temporal Reference in Discourse Time and Modality and Cognition and Metaphysics of Time It will interest scholars and advanced students of time and temporal reference in linguistics philosophy anthropology psychology and cognitive science
