Military Leadership Robert L Taylor, William E Rosenbach, 2000 The fourth edition of this classic text continues its popular interdisciplinary approach to the topic of leadership by examining the elements of military leadership from the perspective of contributors in the fields of history business religion politics and education The fourth edition presents a broad spectrum of ideas and perspectives relating to military leadership in the current environment It includes multinational views reflecting the global military stage This new edition synthesizes classic pieces from the second and third editions with contemporary readings to provide the reader with important insights into the concepts of military leadership throughout the vagaries of regional conflict and maintenance of peace The resulting synthesis stimulates the reader to understand the complex dynamics of effective leadership in the context of military history values and culture

Leadership Maxims Woody Hester, 2021-06-29 Become a better leader right where you are right now In Leadership Maxims Woody Hester shares twelve timeless leadership truths in the context of compelling real world stories about success and failure that prove these truths to be powerful catalysts for organizational and personal success In 1970 at the age of twenty four U S Army Captain Woody Hester returned from a tour of duty in Vietnam He was assigned to a staff position at the U S Army Air Defense Board at Fort Bliss Texas He was grateful A break from the rigors of field duty and the stress of living in a combat environment were welcome but it was his first staff job as an Army officer It would be the first time in his professional life that he would manage the administrative side of project work and lead a diverse group of uniformed staff and Department of the Army Civilians Projects came with tight schedules and hard deadlines Millions of dollars were at stake Failure would cost him and those who relied on him greatly He was scared He didn't have time to digest process and learn to apply complicated leadership theory He needed practical

wisdom he could apply immediately NO MATTER WHAT YOU VE ACCOMPLISHED SOMEBODY HELPED YOU That was the first of a handful of his favorite leadership quotes and ideas timeless truths he tacked to a bulletin board over his newly assigned desk He cut them out of trade magazines and articles he read What he didn t know at the time is that this particular timeless truth the bulletin board itself and later additions of other timeless truths would provide the practical wisdom he needed that they would have a profoundly positive impact on his work at the Air Defense Board and would continue to mean the difference between success and failure throughout his four decade career in corporate and professional life Leadership Maxims can be read alone and also lends itself well to group reading and discussion among leadership learning groups Emerging and even seasoned leaders stand to benefit immensely from the twelve powerful truths presented in this book Like the practical wisdom Woody needed at the age of twenty four readers can quickly internalize and apply these twelve leadership maxims immediately becoming a better leader

Servant-Leadership Across Cultures: Harnessing the Strengths of the World's Most Powerful Management Philosophy Fons Trompenaars,Ed Voerman,2010-01-01 We are all under new pressure to produce more for less money and in less time Ultimately this cannot be done unless bosses are able to in service of their organization bring out the best in their people That is the essence of servant leadership the management philosophy originally outlined by organizational expert Robert Greenleaf in the 1970s It s a philosophy whose time has truly come The mission statement of TDIndustries a regular on Fortune s list of 100 Best Companies to Work for in America prioritizes intense people development efforts including substantial training budgets When an error at Motorola caused 100 000 in damages to equipment no heads rolled instead the responsible employee was encouraged to develop a system based on what he d learned all told Motorola saved more than a million dollars When Sematech the International Institute for Semiconductors joined with competitors like Intel AMD Siemens and Sony the result was smarter and better business for all via shared innovation and communication For such progressive companies mere institutional power is no longer enough Their secret is the empowerment that servant leadership provides and it can make the difference between the success of your organization and its downfall With Servant Leadership Across Cultures you ll come to understand how and why doing the right thing pays off for everyone not just for your business partners but for the world
