## **Stolen Shadows:**

*Stolen Shadows* Mary King,2001-10 A young professional couple builds a dream and a new way of life for a group of physically disabled young people As the family grows and events unfold barriers attitudes and emotional trials are explored

**I the Supreme** Augusto Roa Bastos,2019-02-26 I the Supreme imagines a dialogue between the nineteenth century Paraguayan dictator known as Dr Francia and Policarpo Pati o his secretary and only companion The opening pages present a sign that they had found nailed to the wall of a cathedral purportedly written by Dr Francia himself and ordering the execution of all of his servants upon his death This sign is quickly revealed to be a forgery which takes leader and secretary into a larger discussion about the nature of truth In the light of what Your Eminence says even the truth appears to be a lie Their conversation broadens into an epic journey of the mind stretching across the colonial history of their nation filled with surrealist imagery labyrinthine turns and footnotes supplied by a mysterious compiler A towering achievement from a foundational author of modern Latin American literature I the Supreme is a darkly comic deeply moving meditation on power and its abuse and on the role of language in making and unmaking whole worlds

## **My Three Legged Story Teller**

Adelaide Skeel,1892 *Obsidian Thread* Kieran Hale,2026-02-11 In Meridian you don t sell your soul You sell your shadow Trapped in an eternal twilight where the sun never fully rises the city of Meridian is a place of gaslight fog and silent transactions Here a shadow is not a trick of the light it is a living organ containing a person s morality The rich buy extra shadows to feed their power and corruption while the poor sell theirs to survive slowly fading into soulless Hollows Lyra is a Silhouette Thief Hunted by the regime she wields a cursed pair of scissors capable of shearing a shadow from its owner without killing them She steals from the corrupt aristocracy to patch the unraveling minds of the poor a Robin Hood of the dark She is quick sharp and dangerously shadowless Cian is the High Stitcher A master of the needle he serves the elite sewing stolen shadows onto their bodies with thread spun from liquid night and a needle of Star Iron He is terrifying precise and carries the weight of a thousand sins stitched into the lining of his coat When Cian catches Lyra in the act the game changes He doesn t execute her Instead he reveals a deadly secret a Parasite Shadow has attached itself to him eating his soul from the inside out And Lyra s scissors are the only tool sharp enough to cut it free Forced into a dark pact the thief and the stitcher must work together But as Lyra cuts into the darkness clinging to Cian she discovers that the line between the monster and the man is as thin as the thread that binds them She holds the scissors He holds the needle Together they will unravel the world
