Stone And Anvil:

Stone and Anvil Peter David,2012-08-07 Captain MacKenzie Calhoun was not always destined for Starfleet Look back twenty years A hardened killer at nineteen years old he is already a leader of men the maverick teenage figurehead of the revolt that will free his home planet from alien domination But what will he do when his only goal his struggle to overthrow the Danteri rule is achieved Discovered by Captain Picard of the USS Stargazer who detects in him the seeds of possible greatness he is given a choice which will change his life forever Under the guidance of Jean Luc Picard he abandons the route that can only lead to an early death on his home world Instead he chooses to enrol at Starfleet Academy a place utterly opposed to the values of independence and rebellion he learned as a youth The road from raw recruit to Starfleet Officer has never been rougher And Mackenzie Calhoun s journey is never less than fascinating told here as only Peter David can tell it

Star Trek: New Frontier: Stone and Anvil Peter David,2004-09-28 In this dazzling follow up to Being Human the New York Times bestselling author presents a new adventure featuring Captain Mackenzie Calhoun Captain Elizabeth Shelby and the crews of Excalibur and Trident *Star Trek: New Frontier* Peter David,2002 **The Anvil Stone** Kathleen Guler,2011-01-27 SFreedom is all that matters So says spy and master of disguise Marcus ap Iorwerth of his greatest dream For years he has courageously struggled to unite Britain s feuding internal factions and derail the ever encroaching Saxon threat that has made his homeland a deadly place So when a mysterious stranger delivers a gruesome bloodstained effigy fashioned to look like him Marcus immediately knows it s both a warning and a challenge He and his wife Claerwen whose gift of second sight makes her a target as well run headlong into the daunting fray Rival factions are instigating war both among themselves and with the Saxons and while Marcus sets out to quash their treachery Claerwen discovers another crisis Those same factions have mounted a desperate search for one of Britain s most cherished symbols a magnificent sword of the ancient high kings that has been lost for decades She knows the sword must be found it is part of Britain s future and will pass to a great king called Arthur who has been prophesied to come With battle about to erupt all around Marcus learns the stranger an assassin bent on killing him may be one of the last sources that could lead him and Claerwen to the sacred sword The Anvil Stone brings the volatile tribal nature of Dark Age Britain to life and deftly interweaves it with its mystical Celtic roots and the promise of hope found in the Arthurian legend A stunning display of the storyteller s craft this book is the third in the spectacular four part Maccsen s Treasure series that began with Into the Path of Gods and In the Shadow of Dragons
