Best Short Stories of Yi Kwang Su PB By Chang Wuk Kang M D Yi Kwang Su 1892 1950 has undisputedly produced some of  
the greatest literary works to ever come out of modern Korea Here is a collection of his short stories some of which have  
never before been published in English He has written over twenty eight novels innumerable short stories poetry collections  
treatises and countless commentaries from literature to art and science not to mention culture and humanity and published  
in all of the available paper media of his time in Korea His writing style revolutionized Korean literature and the written  
language itself These stories abound with Buddhist themed meditations on matters of the human spirit and soul as well as his  
thoughts on overcoming karmic condemnations His consistency and the sincerity in his writing are such that one cannot help  
but believe that he practiced what he preached He was a moralist and his writing very didactic It s not surprising that he  
asserts that without religion one cannot improve one s character The last two short stories in this collection were written  
during the period from shortly before the end of the WWII to Korean Independence in 1948 The chaotic and uncertain  
situation of Korea along with harsh criticism forced him to remove himself to the countryside and to live on a farm like an  
ordinary farmer even maintaining an ox Around that time he also stayed in a temple by the grace of his cousin Yi Hak Su It  
was a time of meditation and refuge for him There he worked on his spiritual journey although he never wore a monk s robe  
He accumulated as many experiences as he could and then he decided to pursue further education Chang Wuk Kang M D  
translates these works beautifully richly capturing the essence of Yi Kwang Su s style and the culture of Korea He begins the  
compilation with a biographical summary of Yi Kwang Su s life as well as his political influences and literary impact on Korea
