Store Cookbook:

The Vermont Country Store Cookbook Andrea Diehl, Ellen Ecker Ogden, 2015-09-22 The ultimate New England store whose catalog reaches millions of people presents the store's first cookbook bringing us back to simpler days. The Vermont Country Store Cookbook captures both the essence of the iconic store and the soul of the Vermont way of life: a self-reliant, rich life in the slow lane. Through recipes, yarns, archival photos, and sumptuous visuals, it tells the story of five generations of Orton storekeepers while featuring fresh from the farm cooking that imbues the cuisine of the present with the best of the past. Approximately 120 updated and original family recipes evoke memories conveying all the hominess of the catalogue but also appeal to the modern tastes of contemporary cooks. The book also features sidebars of Vermont history and more than 200 photographs, both black and white archival and four-color photographs, the latter taken especially for the book.

The Store Cupboard Cook Book Janice Beverley Bryant, 2017-02-08 Growing up during World War II taught Janice Bryant plenty about economizing and running a kitchen during times of scarcity. And in spite of deprivations and the need to make more out of less, Bryant believes everyone was happier, healthier, and better fed. Now Bryant uses the wealth of knowledge and experience she's collected over the years to guide you through the process of building a stocked pantry and cooking great meals for yourself and others from its stores. Providing detailed lists and explanations about what to buy, why, and how to turn basic ingredients into sumptuous spreads, this book equips not only kitchen novices but anyone who wants to spend less time and money on prepackaged foods and restaurants. Broken into clear, easy-to-read sections, the recipes cover a variety of different dishes for every occasion, giving home cooks the confidence to prepare meals for friends, family members, and special guests. Bryant also offers tips for shopping and selecting products and produce, taking the guesswork out of trips to the grocery store. The Store Cupboard Cookbook makes a wonderful gift for new graduates, newlyweds, or anyone who wants to learn how to make more out of less in the kitchen.
