Toff At The Fair:

Vigilantes & Biscuits John Creasey,2012-04-10 A city housing estate is out of hand and out of bounds There is no law Some of the inhabitants decide to form their own vigilante group It is up to Commander George Gideon of Scotland Yard to restore the rule of law but he also has to deal with the vicious killing of two brothers and the kidnapping of a leading biscuit manufacturer s wife

Gideon's Fire John Creasey,2011-01-08 Commander George Gideon of Scotland Yard has to deal successively with news of a mass murderer a depraved maniac and the deaths of a family in an arson attack on an old building south of the river This leaves little time for the crisis developing at home

Kayan Kollyn V VN Mangukiya,2022-03-22 Central Idea of the Kayan Kollyn Adventure Saga Book Kayan Kollyn is a fictional adventure and mystical saga story set up in the Atouls World Ellmott is the almighty power which works in conjunction with various forms of Craffartt Craffartt is the ancient craft of the atouls world in which mysterious powers work Much of the ellmott mystery is extinct today but efforts are being made on this land to unravel it And thousands of miles long the Great Atoulian Mountain Ranges is the mysterious abode of this Ellmott Many people of the Atouls Land adore and bow down the three basic forms of this nature and existence namely the Element the Essence and the E light pain n pleasure give them the pure thought and wisdom The Elements are contained within the Attor Spiral the Essence is contained within the Meddo Spiral while the E light is contained within the Solloh Spiral which were the ancient science art and Craft of the land of atouls THIS ART IS CALLED CRAFFARTT in atouls world Empo and Espak are the subtle Ellmott Elements in Atouls World in which Empo is the experience of the mind and the body exists and moves in Espak This is the ancient belief of Atoulian When the mind rises above the realm of Empo it pervades the whole spectrum of a Great Time When the body s consciousness transcends the boundaries of the finite body the infinite Ellmott becomes its marvelous abode But how does such merit come about Perhaps a person can touch this land s hidden and mysterious dimensions however the answers to the mystery are also unknown So Let s dive into this story

The Story A Seed that Becomes a Huge Tree There are three main geographical areas in the Atouls world the States of Atouls Nymos town and Kingdom of the Atouls Each region has its uniqueness while access to the Kingdom in particular is not easy Kayan is a fourteen year old boy Kayan s life is connected to these three geographical areas of the Atouls World where Kayan learns the ancient Atoulian Esoteric Craft which the people of Nymos town call Craffartt And Kollyn who is a fourteen year old girl is the girl of a nomadic herdsman of the Atoulians Mountains Special classes of Atouls World reveal the art and science of incorporating the mysterious powers of Existence and the Nature in their various crafts Craffartts It was the ancient and extinct heritage of the Atouls World Accepting whatever is contained within this life is our first gratitude towards life The ability to think and imagine is one of life s best gifts If these abilities are used to the fullest they can do good to oneself and others And while contemplating when anyone s thought develops it first takes the form of a Story because the mind has a good relationship with the story this story deserves to be told in a language that the

world can understand And any story becomes exciting and successful only when its Subject can touch by every mind so it is essential to contemplate the subject of the story constantly The Effort of the Storytelling has a specific Purpose Here I find only three words after a long thought process fearlessness freedom and peace But this path goes through a lot of conflict and pain the absolute joy of life is in the journey because in it this vast existence is always ready to reveal its Secrets The Theme Depth of Time Many Characters walk on the ground there are a lot of Characters that slide on the ground hardly anyone floats and very few are able to fly in the sky of Freedom and Fearlessness And these characters are associated with all three dimensions of Time and often a rare character touches even the fourth dimension of Time and Place This story paints a picture of Ancient Times At the same Time keeps pace with the Present and takes a flight into the Future Because Time has always been a witness to the eternal order of life and death Effect of these Adventure Sagas called Kayan Kollyn The probability and ability were are and will be endless at any time stage this journey goes through sorrow pain anguish joy pleasure and bliss which are a natural process for parity and purity However the new generation is always ready to embrace change Today s new generation wants to understand the past of various civilizations and wants to enjoy the modern conveniences of the present With this they want to give the best direction to their future This book this long story divided into parts I hope it will communicate a new feeling a new imagination to people of all religions and races once they read and watch This may inspire them to find answers to their unanswered questions KNOWLEDGE word has a wide and comprehensive meaning in ancient D Hoptik Language of Atouls World Including i am to be thought imagination experience intuition dream sleep and union with ellmott power master Hyubos said Attempt as an Author When the living story descends into the utmost excellence the mystery opens It attempts to solve many internal and external unresolved questions of childhood and youth I invite you to join this journey wholeheartedly and I am grateful to you V VN Mangukiya *Sequels*
