Tombstone Myth And Reality:

Tombstone: Myth and Reality Odie B. Faulk,1972 Tombstone Arizona in the years 1879 1883 was far more complex interesting and exciting than the legendary town perpetuated by Hollywood and television **Tombstone** Sean McLachlan,2013-06-20 A detailed look at the true story of Wyatt Earp Doc Holliday the OK Corral and the Vendetta Ride

The Americas Trudy Ring,Noelle Watson,Paul Schellinger,2013-11-05 This five volume set presents some 1 000 comprehensive and fully illustrated histories of the most famous sites in the world Entries include location description and site details and a 3 000 to 4 000 word essay that provides a full history of the site and its condition today An annotated further reading list of books and articles about the site completes each entry The geographically organized volumes include Volume 1 The Americas 1 884964 00 1 Volume 2 Northern Europe 1 884964 01 X Volume 3 Southern Europe 1 884964 02 8 Volume 4 Middle East Africa 1 884964 03 6 Volume 5 Asia Oceania 1 884964 04 4 **Borderline Americans** Katherine Benton-Cohen,2009-04-30 Are you an American or are you not This is the question at the heart of Katherine Benton Cohen s provocative history which ties a seemingly remote corner of the country to one of America s central concerns the historical creation of racial boundaries

Arizona Thomas E. Sheridan,1995 Thomas E Sheridan has spent a lifetime in Arizona living off it and seeking refuge from it He knows firsthand its canyons forests and deserts he has seen its cities exploding with new growth and like many other people he sometimes fears for its future In this book Sheridan sets forth new ideas about what a history should be Arizona A History explores the ways in which Native Americans Hispanics and Anglos have inhabited and exploited Arizona from the pursuit of the Naco mammoth 11 000 years ago to the financial adventurism of Charles Keating and others today It also examines how perceptions of Arizona have changed creating new constituencies of tourists environmentalists and outside business interests to challenge the dominance of ranchers mining companies and farmers who used to control the state Sheridan emphasizes the crucial role of the federal government in Arizona s development throughout the book As Sheridan writes about the past his eyes are on the inevitable change and compromise of the present and future He balances the gains and losses as global forces interact more and more with local cultural and environmental factors

A Wyatt Earp Anthology Roy B. Young,Gary L. Roberts,Casey Tefertiller,2019-08-15 Wyatt Earp is one of the most legendary figures of the nineteenth century American West notable for his role in the gunfight at the O K Corral in Tombstone Arizona Some see him as a hero lawman of the Wild West whereas others see him as yet another outlaw a pimp and failed lawman Roy B Young Gary L Roberts and Casey Tefertiller all notable experts on Earp and the Wild West present in A Wyatt Earp Anthology an authoritative account of his life successes and failures The editors have curated an anthology of the very best work on Earp more than sixty articles and excerpts from books from a wide array of authors selecting only the best written and factually documented pieces and omitting those full of suppositions or false material Earp s life is presented in chronological fashion from his early years to Dodge City Kansas triumph and tragedy in Tombstone and his later

years throughout the West Important figures in Earp s life such as Bat Masterson the Clantons the McLaurys Doc Holliday and John Ringo are also covered Wyatt Earp s image in film and the myths surrounding his life as well as controversies over interpretations and presentations of his life by various writers also receive their due Finally an extensive epilogue by Gary L Roberts explores Earp and frontier violence **Crime, Justice and Retribution in the American West, 1850-1900** Jeremy Agnew,2017-04-11 Western movies are full of images of swaggering outlaws brought to justice by valiant lawmen shooting them down in daring gunfights before riding off into the sunset In reality it would not have happened that way Real lawmen did not simply walk away from a gunfight they had to face the legal system and justify shooting a civilian in the line of duty Providing a more realistic view of criminal justice in the Old West this history focuses on how criminals came into conflict with the law and how the law responded The process is described in detail from the common crimes of the day such as train robbery and cattle theft to the methods of apprehending criminals to their adjudication and punishment by incarceration flogging or hanging **Western Review** ,1972 **Catalog of Printed Books. Supplement** Bancroft Library, *Chronicles* ,1989 **The Carleton Miscellany** ,1974 Journal of the West Lorrin L. Morrison,Carroll Spear Morrison,1973 America, Past and Present: From 1865 Robert A.
