This devotional is unique in a number of ways, including: a) It is written in English that is simple enough for a 5-year-old to understand, yet parents are not bored studying it. This devotional has struck a wonderful balance and completely avoided oversimplification and difficult presentation style. b) This devotional has subject areas from Genesis to Revelation, and each subject is simplified with explanations and examples. c) It is family-based, family-friendly, and totally inter-denominational, avoiding areas of doctrinal controversies. d) Selected passages and associated titles cover a wide variety of human behavior, activities, and relationships. e) God's intervention in the affairs of mankind as individuals, families, communities, and nations is brought to light and relevance for today. f) This devotional was planned to be a resource cum reference material for daily reading and study for a year by family members. Lord, I Forgive Myself Dr. Tommy Beeker, 2023-04-26 In many Christian churches throughout the world today, there is absolute total bondage that millions of my brothers and sisters in Jesus are living through every day. This bondage is the inability of millions of God's children to forgive themselves for their past sins, the current sins in their lives, and sins they worry will continue tomorrow. Much of this bondage comes from so many holding on to their past and not fully understanding the total and absolute forgiveness of their heavenly Father. The kingdom of darkness has oppressed millions in the church today through lies using false teachings that have permeated most Christian denominations today through corrupt Bible versions and private interpretations of God's Word. Sadly, this same problem gets promoted by the legalism that many Christian denominations put on their members, teaching that one can lose their salvation by not following man-made rules.

and regulations or even committing one single sin Not only that but many churches fail to teach the unconditional love and forgiveness of God found in the truth of God s Word The purpose or goal of this book is to show millions that God has totally forgiven us as His children Also the purpose is to help Christians to have a private talk with Jesus and allow Him through His Word to prove the love of the Father and the power of forgiveness that God has given through Jesus s sacrificial death on the cross Here is your chance to talk to Jesus alone and find the peace of mind you deserve as a child of God as you listen to Jesus as He shows you in His Word how to forgive yourself In reading this book I desire for each of you to be able to say to Jesus with joy in your heart Lord I forgive myself
