Un Certain Sourire:

Un Certain Sourire Françoise Sagan, 1956 **Brieven van Em. Querido's Uitgeverij, Amsterdam aan Frits van Dixhoorn (1927-2001)**, 1959 Un certain sourire Françoise Sagan (pseud. van Françoise Quoirez), 1957 Stardom in Postwar France John Gaffney, Diana Holmes, 2008-02-01

The 1950s and 1960s were a key moment in the development of postwar France. The period was one of rapid change derived from post World War II economic and social modernization yet many traditional characteristics were retained. By analyzing the eruption of the new postwar world in the context of a France that was both modern and traditional we can see how these worlds met and interacted and how they set the scene for the turbulent 1960s and 70s. The examination of the development of mass culture in post war France undertaken in this volume offers a valuable insight into the shifts that took place. By exploring stardom from the domain of cinema and other fields represented here by famous figures such as Brigitte Bardot, Johnny Hallyday or Jean Luc Godard and less conventionally treated areas of enquiry politics de Gaulle, literary Fran oise Sagan and intellectual culture L vi Strauss the reader is provided with a broad understanding of the mechanisms of popularity and success and their cultural, social and political roles. The picture that emerges shows that many cultural articulations remained or became identifiably French in spite of the American mass culture origins of these social, economic and cultural transformations.

That Mad Ache: A Novel/Translator, Trader: An Essay Françoise Sagan, 2009-05-12. Set in Paris in the mid 1960s Lucile, a young rootless woman finds herself torn between a fifty year old businessman and a thirty year old hot blooded impulsive editor and in a companion to the novel the translator describes the process of rewriting.

Living on Paper Iris Murdoch, 2018-05-15. For the first time novelist Iris Murdoch's life in her own words from girlhood to her last years. Iris Murdoch was an acclaimed novelist and groundbreaking philosopher whose life reflected her unconventional beliefs and values. But what has been missing from biographical accounts has been Murdoch's own voice. Her life in her own words. *Living on Paper* the first major collection of Murdoch's most compelling and interesting personal letters gives for the first time a rounded self portrait of one of the twentieth century's greatest writers and thinkers. With more than 760 letters, fewer than forty of which have been published before, the book provides a unique chronicle of Murdoch's life from her days as a schoolgirl to her last years. The result is the most important book about Murdoch in more than a decade. The letters show a great mind at work struggling with philosophical problems, trying to bring a difficult novel together, exploring spirituality and responding pointedly to world events. They also reveal her personal life, the subject of much speculation in all its complexity, especially in letters to lovers or close friends such as the writers Brigid Brophy, Elias Canetti and Raymond Queneau, philosophers Michael Oakeshott and Philippa Foot and mathematician Georg Kreisel. We witness Murdoch's emotional hunger, her tendency to live on the edge of what was socially acceptable and her irreverence and sharp sense of humor. We also learn how her private life fed into the plots and characters of her novels despite her claims

that they were not drawn from reality Direct and intimate these letters bring us closer than ever before to Iris Murdoch as a person making for an extraordinary reading experience **Petits Contes Alsaciens** Jules Girardin,1889 **Five Short Stories.
